A knock on your gate.

32 solid years of experience. Sheer versatility. And a nothing-is-too-small-or-too-boring attitude. Add up all this, and you get a **seasoned, integrated copywriter*** who's just as passionate about his craft today as the day he first put quill to papyrus.

If that sounds like the answer to a prayer, please send down a **little note** (hearing from you would be simply divine, thanks!).
