### **Can I pay a deposit?**

We do not have a deposit option this year. Payments are to be paid in full via the website link. To avail of early bird please have full payment made by June 8th 2018.

### **How are teenagers looked after and cared for at Pulse Fest?**

Each teenager is assigned to their local youth group team. Local youth leaders oversee campers in all activities. If a camper attends individually (without a youth group) they will be assigned a Youth Group team and leader for the week.

### **Does a leader need to attend with our group?**

For every 8 teenagers attending, we require a leader from that church to join us on camp as a leader. A group of 24 teenagers = 3 Leaders.

### **I'm interested in Camping. What does it entail?**

Camping at Pulse is a great experience and we offer a great discount. Pulse will provide all amenities and food. You will be required to bring your own tent, camp bed, sleeping bags & pillow.

### **What are the amenities (toilets, showers) on site?**

We have a new permanent installation of toilets and showers on site. Pulse also hires extra showers and toilet units for all camper needs.

### **Is my teenager allowed to bring a phone on camp?**

We ask that teenager refrain from using cell phones at Pulse for child safety reasons. If a teenager wants to contact a parent or vice versa this can be done through camp office number.

Arrival time for campers is from 3pm - 5pm on Monday and 9:30am Friday morning.
