

Private Events

Bloom Creative Studio is the perfect place to host your private event to celebrate a special person or occasion, or host a team building activity. Private creative events can be scheduled 7 days a week and usually last 2 hours. Guests are welcome to bring in food and beverages as well as décor. We have coffee and tea available in studio and there are several local restaurants for catering.

We offer creative-filled sessions in:

- * Painting on canvas, wood or glass
- * Mixed media projects
- * Wood-burning
- * Jewelry making
- * Knitting or crochet
- * Pompom making

The class fee includes all of the supplies needed for each guest to create a unique keepsake project. We are always happy to create a curriculum with the party planner or “honoree” interests and tastes in mind; just call or send an email to discussion options in more detail. Since each project varies in price, please contact us to confirm a per-person cost. Typical costs are as follows but may change depending up group size (discounts for larger groups may be available) and project. Private studio events require a minimum of 10 paid reservations (\$50-\$75 deposit required depending upon class size)
