

# ORPHANS TO AMBASSADORS

# 2016 SUMMARY

**In 2016, 93% OF MONEY RAISED WENT TO PROJECTS**

## Project Summaries

*New Study Hall*

**Nazerratti Center**  
May 2016  
Tanzania  
42 Children Impacted  
\$17,260

In the fifth year of partnership, Orphans to Ambassadors funded a new study hall for all the children at Nazerratti. In addition to the study hall, O2A purchased additional farm land for agricultural purposes as well as livestock grazing land. The new cow shed will provide a safe and clean shelter for the cows that provide milk for the children.

*Cow Shed*

*Livestock Grazing Land*

**Geraldina School**  
May 2015  
40 Children Impacted  
\$1,700

15,000 liters of Rainwater harvesting for onsite water collection. Additional solar power supply for study hall.

**Shree Siddhartha School**  
July 2016  
Nepal  
500 Children Impacted  
\$12,168

After the devastating 2015 Nepal earthquake, rebuilding the school with earthquake resistant earth-bag technology was a top priority.

In addition, Orphans to Ambassadors provided 20 computers powered by 24 solar panels and 16 industrial strength batteries to provide computer literacy programs for all 500 students attending the school.
