We bring the taste & energy of a Neapolitan pizzeria to our guests!

Our pizza is made the way it was invented in Naples, Italy. Our hand-stretched dough is made using 00 flour. Our tomato sauce is made in house daily. Our crust is traditional, thin and chewy in the center to be best eaten with fork and knife.

If you like your pizza more on the crispy side, let us know and we will do our best to accomodate your request.

DISCLAIMER: We practice serious caution in preparing our gluten free items and do our best to ensure a gluten free product. Fabrica is not a gluten free environment. In consuming our gluten free items, be aware that there may be a chance of cross-contamination. Patrons are encouraged to consider this information in light of their individual requirements and needs.
