Who Attended Margate City Schools**

DEADLINE: April 9, 2018

MARGATE BUSINESS ASSOCIATION
Daniel and Maria Walters
2018 SCHOLARSHIP PROGRAM
Offers
Scholarship Opportunity for MARGATE/LONGPORT Students

The Margate Business Association is offering **two \$2500 scholarship awards** to two Margate or Longport student residents who have attended Margate elementary schools (public or private), will graduate from an area high school in May/June, 2018, have been accepted to and will be attending an accredited institution of higher learning, and best fulfill the following requirements:

1. Submission of a response to the following:

In a year or so, you may be invited to pledge as a fraternity or sorority member on a college campus. According to Franklin College Professor Hank Nuwer, there have been thirty-three hazing deaths involving fraternities over the past decade. Do you feel that fraternities and sororities should be banned, or should colleges/universities create a model allowing them to continue? Submit an essay between 250-350 words expressing your thoughts for banning or keeping fraternities/sororities. In your essay, include at least three solid reasons supporting your position.

2. Three (3) adult references (not related to the entrant):

- A. A classroom teacher
 - B. Someone associated with the student in extra-curricular activities
 - C. A community sponsor providing a personal character reference
3. A list of K-8 elementary/middle schools attended
 4. A list of high school activities
 5. A list of club, volunteer, or community service activities (current or past)
 6. A list of any special honors and/or awards
 7. Name of college/university you will attend in Fall 2018, and proposed major

PLEASE NOTE: We are strict with the eligibility criteria and deadlines. Without exception, applications that do not meet all of the criteria, are missing required elements, or arrive after the deadline are screened out of the process and are not considered for an award.

I have completed and attached my essay, the form listing K-8 schools attended, school, community service, special awards, and the three required adult letters of reference.

Student Name (Print or Type)	Address	Telephone
Social Security Number	High School	Graduation Date
College/University I will attend beginning Fall Semester, 2018		Proposed Major
Student Signature
