Dances of Vice Presents  
PHANTASMAGOREY MMXIV  
Heaven & Hell Halloween Ball

October 31, 2014 10pm at The Down Town Association  
60 Pine St, New York, NY 10005

Hailed by *The New York Times* as a "natural provocateur" and the creative force behind New York's "nightlife for exhibitionists", Dances of Vice producer Shien Lee presents the 6th installment of the legendary Phantasmagorey Halloween Ball on Halloween Night, 2014.

This year's fiendish stomp is *sinspired* by the notorious Heaven and Hell nightclubs of 1890s Paris: guests will be led from room to room to experience supernatural visions of Heaven and Hell within a private, four-story Victorian mansion in downtown Manhattan.

The dress code is strictly otherworldly: come dressed to dance with the demons or exalt with the angels. Forlorn seraphim, cherubim and saints will rub shoulders with winking witches, fire-breathing demons, and the living dead while incendiary performances from our sordid skeletal symphony stoke your savage appetites.

At the stroke of midnight, a sinfully rich dessert buffet will be served exclusively to guests of "The Devil's Tea", followed by a decadent fashion show for the damned by Hell's resident dandy, PUREVILE!

Prepare your death mask before having your funeral portrait taken in our Victorian postmortem photo booth, and leave behind an otherworldly memento mori of your one night on this immortal coil. Angel horns and devil trombones, you are invited!

TICKETS: \$30-50 GA / Plus \$30 for "The Devil's Tea" (includes dessert buffet)
