President
Andrews University
4150 Administration Drive
Berrien Springs, MI 49104-670

Dear Dr. Andreasen:

At the July 2012 meeting of the National Architectural Accrediting Board (NAAB), the board reviewed the Visiting Team Report (VTR) for the Andrews University, School of Architecture.

As a result, the professional architecture program:

Master of Architecture

was formally granted a six-year term of accreditation with the stipulation that a focused evaluation be scheduled in three years to review the following Causes of Concern and the progress that has been made in each area:

Physical Resources (I.2.3)
Graduate Electives (see VTR, Causes of Concern)
Pilot Practicum (see VTR, Causes of Concern)

The accreditation term is effective January 1, 2012. The program is scheduled for its next accreditation visit in 2018. The focused evaluation is scheduled for calendar year 2015. For more information on focused evaluations, please see Section 6 of the 2011 Procedures for Accreditation.

Continuing accreditation is subject to the submission of Annual Reports. Annual Reports are submitted online through the NAAB’s Annual Report Submission system and are due by November 30 of each year. These reports have two parts:

Part I (Annual Statistical Report) captures statistical information on the institution in which a program is located and the degree program.

Part II (Narrative Report) is the narrative report in which a program responds to the most recent VTR. The narrative must address Section 1.3 Conditions Not Met and Section 1.4 Causes of Concern of the VTR. Part II also includes a description of changes to the program that may be of interest to subsequent visiting teams or to the NAAB.

If an acceptable Annual Report is not submitted to the NAAB by January 15, 2013, the NAAB may consider advancing the schedule for the program’s next visit. A complete description of the Annual Report process can be found in Section 10 of the NAAB Procedures for Accreditation, 2011 Edition.

Finally, under the terms of the 2011 Procedures for Accreditation, programs are required to make the Architecture Program Report, the VTR, and related documents available to the public. Please see Section 3, Paragraph 8 (page 22), for additional information.
The visiting team has asked me to express its appreciation for your gracious hospitality.

Very truly yours,

Keelan P. Kaiser, AIA
President
