Train to become a volunteer coach in the Matter of Balance program!

In small group sessions, coaches help participants become more confident about managing falls. All you need are good communication and interpersonal skills, enthusiasm, dependability and a willingness to lead small groups of older adults.

The two-part coach training combines video, group discussion, exercise activities and practice teaching. All materials are supplied. Coaches 55 and older are particularly needed and effective.

LIFESPAN 2012 CLASSES

“Excellent classes. Eight weeks was a good duration, but I sure hated to see it end. What a great class with lots of information and exercises. I could go on and on. Thank you!”

“My self-confidence has increased 100%. No fear of falling, and I’ve become more aware of my strength.”

“I have been highly motivated to improve my mobility and have a greater understanding of its importance, and I will be able to continue the activities I enjoy for the next ten years. I also enjoyed the discussion and relaxed atmosphere of the class.”
