Put Life Back in Your Life

Supported in part by a contribution from Excellus BlueCross BlueShield.
Sponsored by the United Way of Greater Rochester, and the Monroe County Office for the Aging.
Consider a Living Healthy Workshop.

Are you an adult with an ongoing health condition?

You’ll get the support you need, find practical ways to deal with pain and fatigue, discover better nutrition and exercise choices, understand new treatment choices, and learn better ways to talk with your doctor and family about your health.

If you have conditions such as arthritis, high blood pressure, heart disease, chronic pain, anxiety, the Living Healthy workshop at Lifespan can help you take charge of your life.

“In just a few weeks, I got back to feeling better—and back to being the kind of person I like to be.”

“Now I have more energy than I’ve had in years. I’m calmer and more confident about my health.”

“The workshops put me back in charge of my life, and I feel great. I only wish I had done this sooner.”
