

**Goodrich Primary Equality and Diversity
Statement and Plan 2016-2017**

All schools and public bodies have a duty to:

1. Eliminate unlawful discrimination, harassment and victimisation, by tackling prejudice and promoting understanding.

2. Advance equality of opportunity between people who share a protected characteristic and those who do not by:

-Removing or minimising disadvantage suffered by people due to their protected characteristic.

-Taking steps to meet the needs of people with certain protected characteristics where these are different to the needs of other people, including taking steps to take account of disabled people's disabilities.

-Encouraging people with certain protected characteristics to participate in public life or in other activities where their proportion is disproportionately low.

3. Foster good relationships between people who share a protected characteristic and those who do not.

Goodrich primary is committed to equality and diversity and is pleased to publish its annual single equality plan. In developing this plan we have been able to identify and record the progress we have made towards achieving equality and tackling discrimination in order to come to a better understanding of the challenges still to be addressed. We will ensure that this single equality plan is effectively implemented and scrutinised so that we meet the obligations placed upon us by the equality duty. Promoting the priorities identified within our single equity plan will be a continuous process

The Governors and Staff of Goodrich primary understand that compliance with the general equality duty is a legal obligation that will better inform decision making and policy development.

They further recognise that achieving the three aims stated will ensure we are able to successfully meet the needs of our diverse population of pupils, draw on the talents of a diverse local community to ensure our staff and governors better represent the wider community that we serve.

Our school has considered how well we currently achieve the aims of this duty with regard to the protected equality groups. Using information that we have gathered we have decided upon our equality objectives. Our plans to meet these objectives will be monitored annually.

In compiling equality information we have:

- 1) Reviewed the school's equality data, policies and practice and identified any gaps.
- 2) Examined how our school engages with the protected groups, identifying where practice can be improved.

The outcomes are published within our Single Equality Plan, which has been agreed by our

Governing Body. In line with legislative requirements we will review progress against our plan annually and review the entire plan and accompanying action plan on a four year cycle.
