

CURRICULUM VITAE

Name: Michael Charles **CORBALLIS**
Date of Birth: 10 September, 1936
Place of Birth: Marton, New Zealand
Citizenship: New Zealand and Canadian

Academic Qualifications

1958 - BSc (University of NZ) in mathematics
 1959 - MSc (University of NZ) with second-class honours in mathematics
 1961 - BA (University of NZ) in psychology
 1962 - MA (University of Auckland) with first-class honours in psychology
 1965 - PhD (McGill University) in psychology
 1998 - Honorary LLD, University of Waterloo, Waterloo, Canada

Awards and Honours

1960 - Hunter Memorial Prize in Psychology, Victoria University of Wellington
 1963 - Canadian Commonwealth Scholarship
 1989 - MRC (Canada) Visiting Scientist Award, Montreal Neurological Institute
 1994 - Claude McCarthy Fellowship
 1999 - Shorland Medal, New Zealand Association of Scientists
 2000 - James Cook Fellowship, Royal Society of New Zealand
 2002 - Officer of the New Zealand Order of Merit (ONZM)
 2005 - Distinguished Visiting Scholar, United College, Chinese University of Hong Kong
 2006 - Hunter Award, New Zealand Psychological Society
 2007 - International Visiting Research Fellowship, University of Sydney
 2007 - Distinguished Teaching Award for Excellence in Research Supervision,
 University of Auckland
 2009 - President, International Neuropsychological Society
 2011 - Distinguished Visiting Fellow, Sage Institute for the Study of the Mind, University
 of California in Santa Barbara.
 2013 - Distinguished Career Award, International Neuropsychological Society
 2016 – Rutherford Medal, Royal Society of New Zealand

Fellowships in Learned Societies

Honorary Fellow, N.Z. Psychological Society
 Fellow, Royal Society of N.Z.
 Fellow, American Association for the Advancement of Science
 Fellow, American Psychological Association
 (Divisions 1, 3 and 6)
 Fellow, Association of Psychological Scientists
 Honorary Fellow, International Neuropsychology Symposium

Academic and Research Appointments

1965-66 Research Associate, McGill University
 1966-68 Lecturer in Psychology, University of Auckland
 1968-71 Assistant Professor of Psychology, McGill University

1971-75 Associate Professor of Psychology, McGill University
 1975-77 Professor of Psychology, McGill University
 1978-2008 Professor of Psychology, University of Auckland
 1993-2000 Director, Research Centre for Cognitive Neuroscience, Department of Psychology, University of Auckland
 2008 –present Emeritus Professor, University of Auckland
 2014-present Inaugural Creativity Fellow, University of Auckland

Editorial Work

Co-editor, *Laterality*, 1995-2008
 Editor, *New Zealand Journal of Psychology*, 1994-1997.
 Current editorial boards:
Neuropsychologia
Archives of Clinical Neuropsychology
Neuropsychology
New York Academy of Sciences: The Year in Cognitive Science
Journal of Neuropsychology
Wiley Interdisciplinary Reviews (WIREs): Cognitive Science.

University of Auckland Review Committees

Chair, Committee to Review Department of Sociology, University of Auckland (1992).
 Chair, Committee to Review Department of Engineering Science, University of Auckland, 2003.

National Committees

Council, N.Z. Psychological Society (1983-85)
 Committee for Review of Life Sciences, Victoria University of Wellington (1985)
 Research Committee, N.Z. Neurological Foundation (1985-1990)
 Human Sciences Selection Panel, Royal Society of New Zealand (Chairman, 1986)
 Committee for Accreditation of Professional Psychology Courses, N.Z. Psychological Society.
 Membership and Status Committee, N.Z. Psychological Society
 Council, Royal Society of New Zealand (1994-97).
 Committee to report on memory for traumatic childhood events, New Zealand Psychological Society (1996-97).
 Committee to review Department of Psychology, University of Otago, 1995.
 Committee to review Department of Psychology, University of Canterbury, 1995.
 Research Committee, Life Sciences, Marsden Fund, 1997-1998
 Research Committee, Ecology, Evolution and Behaviour, Marsden Fund, 1999.
 HRC Biomedical Assessing Committee, 1997.
 Chair, Behavioural and Human Sciences Fellowship Selection Panel, Royal Society of New Zealand, 1998, 2001.
 Hamilton Award Committee, Royal Society of New Zealand, 1998-1999 (Chair, 1999).
 Social Sciences and Other Social/Cultural Panel, Performance Based Research Fund, Wellington, New Zealand, 2003; Chair, 2006; Deputy Chair, 2012
 Royal Society of New Zealand Travel Grants Committee, 2005-2007
 Chair, James Cook Fellowship Advisory Committee for the Social Sciences, 2006
 Member, Committee to review postgraduate science degrees, University of Canterbury, 2008
 Marsden EHB panel, 2009

Member, Council of the Royal Society of New Zealand (2010-2013)
 Member, Academy Executive, Royal Society of New Zealand (2010-2013).
 Co-judge, Royal Society Science Book Award, 2011 and 2013.
 Co-judge, Calaghan Medal, Royal Society of New Zealand, 2015, 2016

International Committees

Psychology Committee, National Research Council of Canada (1976-78)
 International Association for the Study of Attention and Performance (1984-1989)
 Chair, Committee to Review Department of Psychology, University of Queensland (1990).
 Board of Directors, PsychNet (an international Email network for Psychology and Psychiatry) (1995-96).
 Advisory Board, Macquarie Centre for Cognitive Science, Macquarie University, Sydney, Australia, 2003-
 Board of Directors, International Neuropsychological Society, 2000-2003.
 Executive Committee, Summer Institute of the International Neuropsychological Society, 2003- .
 Chair, Psychology Committee, University of Queensland Research Quality Assessment, 2006
 Advisory Board, *The Year in Cognitive Neuroscience*, New York Academy of Sciences, 2007- present
 Board of Directors, International Neuropsychological Society, 2007-2010 (President, 2009-2010)
 Advisory Committee for Selection of Centres of Research Excellence, Australian Research Council, 2013.

Research funding

Grants from National Research Council of Canada, Human Frontiers Science Project, Marsden Fund of the Royal Society of New Zealand.
