**A** GAS WORKS PARK 2101 NORTH NORTHLAKE WAY | WWW.SEATTLE.GOV | (206) 684-4075

This park is located at the former site of the Seattle Gas Light Company gasification plant; the immense rusted structure is surrounded by grassy knolls, and the park offers great views of the city. On most weekends you will find people flying all sorts of kites at the park.

**B** FREMONT BREWING 1050 NORTH 34TH STREET | WWW.FREMONTBREWING.COM | (206) 420-2407

Fremont Brewing Co. makes some fine beverages and has a wonderful outdoor seating area. The Fremont neighborhood is famous (to locals) for being the self-proclaimed "center of the universe" -- and so the brewery has a beer called the Universale Pale Ale. Many of the beers names play on these local inside jokes. 7 days 11am-9pm

**E** PEDDLER BREWING 1514 NORTHWEST LEARY WAY | WWW.PEDDLERBREWING.COM | (360) 362-0002

We all know that bikes and beer go well together, but Peddler Brewing is Seattle's first bike themed micro brewery. They often host bike related events, and have tons of bike parking out front! Th 4-11pm / F 4-11pm / Sa 11am-11pm / Su 12-8pm
