

Cornerstone Christian School  
Photo Release Form  
2017-2018

During the school year, members of our faculty/ staff take pictures or videos of student activities and events. In addition to using the materials for yearbook and student publications and purposes, we occasionally would like to use the pictures or videos in advertising, brochures, on our Facebook page, website and other promotional materials. In our efforts to spread the word about Cornerstone, we realize that a picture tells a thousand words. We want the public to see and feel a personal connection to our school and the amazing things we do here on a day to day to basis.

Please read and submit the following release form for each of your children for the 2017-2018 school years. Thank you for your prompt attention in this matter!

The undersigned hereby consent to use by Cornerstone Christian School my child's name, picture, photograph, quotation in all forms and manner for educational, instructional, advertising, or promotional purposes.
