

## New Paltz Historic Documents

[www.newpaltzhistory.org](http://www.newpaltzhistory.org)

### Library of Congress Subject Headings A-Z

#### Note:

Historic Huguenot Street uses Library of Congress Subject Headings, which are under continuous review, and updates them in NPHD as updates are published by LoC. Thus, users of New Paltz Historic Documents may see some subject headings that appear outdated or inappropriate, especially in reference to slavery and Native Americans.

|                                     |                             |
|-------------------------------------|-----------------------------|
| Absentee voting                     | Beer                        |
