

WINTER CITY CHAMPIONS

A package for Winter Communities to join the Shake-Up in a whole different way!

New for 2017, we are offering a chance for Winter City Participants to showcase the ways their communities champion winter!

Cities and towns are invited to have a table at our Innovation Showcase and have their names associated with one of the breaks during the conference. Plus, join us for a networking dinner on Friday evening, meet other leaders, discuss winter best practices and ideas, and build relationships with other Winter Communities around the world.

WINTER CITY CHAMPION PACKAGE **\$1,500**

Included:

Sponsor recognition at one of the breaks during the event, your city or town's logo displayed throughout the break

One (1) complimentary registration for a delegate from your community's administration to join the conference

A display space to highlight your Winter Community at the Innovation Showcase, as well as a brief opportunity within the conference program to share your city or town's unique ideas and programs!

Recognition on our main screen throughout the conference, and at wintercitiesconference.com

An invitation to join an exclusive dinner for Winter City Leaders to promote networking (Date and location TBD)
