

Local Control Accountability Plan and Annual Update (LCAP) Template

[Addendum](#): General instructions & regulatory requirements.

[Appendix A](#): Priorities 5 and 6 Rate Calculations

[Appendix B](#): Guiding Questions: Use as prompts (not limits)

[LCFF Evaluation Rubrics](#): Essential data to support completion of this LCAP. Please analyze the LEA's full data set; specific links to the rubrics are also provided within the template.

LEA Name	Laton Joint Unified		
Contact Name and Title	Victor Villar, Superintendent	Email and Phone	vvillar@latonunified.org 559-922-4015

2017-20 Plan Summary

THE STORY

Briefly describe the students and community and how the LEA serves them.

Laton Unified School District offers safe, well-manicured schools, and employs many caring and talented people who are dedicated to our students and to the District. Laton Unified School District is a great place to grow and achieve. Although the school sites are just over 50 years, the excellent maintenance staff at LUSD has helped keep the school sites looking great!

Laton Unified is comprised of four schools: Laton High School, Conejo Middle School, Laton Elementary School, and Laton Preschool. Most students of LUSD are born and raised here and attend kindergarten through twelfth grade. We are a small district with approximately 750 students in Preschool, Transitional Kindergarten, and the K-12 program. Most of our students qualify for the Free and Reduced Lunch with 86% considered Socioeconomically Disadvantaged. Over 75% of our students are Hispanic/Latino. English Learners make up over 41% of our students. We have approximately 13.9% of our students who are in the Special Education Program.

Our vision at Laton Unified of "Closing the Achievement Gap" means ensuring each student reaches his or her full potential, regardless of ethnic background or economic status. We are proud of our students and we believe in celebrating the cultural diversity of our community.

- Our Beliefs and Values** (developed by teachers, principals, superintendent, and school board members): We want a unified effort to help students increase their knowledge and creative potential. We want a culture that builds partnerships across the District with mutual trust and respect. We believe in a working and learning environment that encourages the necessary critical thinking and creative ideas that solves important challenges and problems. We believe in work-group-support characterized by feedback, collaboration, flexibility, trust, and a safe environment that encourages us to risk. We want to build rapport and positive communication from the student level to the governance team. Because we work in small district, we want to capitalize on building individual strengths.

LCAP HIGHLIGHTS

Identify and briefly summarize the key features of this year's LCAP.

Our LEA focus includes:

Goal # 1

- Goal #1 speaks to building a culture for our staff that is family-oriented and creates a supportive working environment, that fosters a low turn-over rate and with increased pay that is more closely aligned with districts of Laton's size.
- Ensuring that all staff become life-long learners with standards-aligned professional development by utilizing the curriculum director to instruct and coach teachers. Adding a learning director will allow time for the principal to be in every classroom, every week by distributing some of the work- load of the principal.
- Improving facilities to ensure that all stakeholders have a safe, clean, and appropriate working and learning environment by installing more video cameras for campus safety and maintaining facilities according to FIT standards.

Goal #2

- Goal #2 is all about Improving school cultures and breadth of courses to encourage student engagement, and socio-emotional and academic success; while decreasing chronic absenteeism, bullying, suspensions, and expulsions. More attention will be paid to anti-bullying through presentations and counseling. Parents suggested rewards for good behavior and attendance plus adding a security officer at the high school.

Goal #3

- Goal #3 is committed to providing access to a broad course of study and assessment data to inform parents, students and teachers of progress towards College and Career Readiness and student fitness. LUSD believes all students can become proficient in common core content areas and that achievement gaps will be minimized for all sub-groups.

Goal#4

- Goal #4 is about building a community culture that allows the school sites/district to experience a high-level of parent involvement in all school events and decision-making opportunities. Making adjustments to schedules for better parent access, dual language meetings for all stakeholders and continuing with parent workshops will keep the community feeling like they have a say in their child's education.

REVIEW OF PERFORMANCE

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

GREATEST PROGRESS

With nearly 60% of our student population not meeting standards it is difficult citing state indicators as progress, however we feel like this is the bottom of our cycle of decline because we have maintained and not slipped further.

STATE INDICATORS -

- English Language Arts (3-8) - although we have an overall status of Low with 60.5 points below level 3, we maintained over time with +1.6 points - Yellow
- Mathematics (3-8) – although we have an overall status of Low with 59.5 points below level 3 – we increased over time with a +13.3 points - Yellow

The district school board is committed to keeping faculty by agreeing to more equitable pay for all employees. The district has secured a three-year contract with certificated and has increased pay for certificated by 19% from 2015 through 2020.

Maintaining our curriculum director and hiring a learning director is the foundation of capitalizing on our marginal success. More time will be spent in the classroom coaching teachers on best practices teaching and assessing ELA and Math.

However, we believe a school district is measured by more than just state mandated tests. Our graduation rates are almost perfect. When a small school district has only 39 potential graduates and one doesn't finish, it knocks several percentage points off and could look like the school is in terrible shape. We will continue to monitor students throughout their Laton Unified career with personalized service, seamless transitions through elementary, middle and high schools and parent/school relationship built on trust and transparency.

More and more parents are showing up to workshops and parent meetings. At one parent meeting for this year's LCAP only 6 parents arrived. They decided not to hold the meeting but instead brainstormed ways to improve attendance for another meeting. They suggested different neues to get out information. They took the information and distributed it. They got their churches to put it in the weekly bulletin. They got 80 people to the next meeting.

Our RTI program is in its infancy, but already it is paying dividends with reading and math scores on weekly assessments improving every month. We are excited to see state assessments scores for 2017.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

GREATEST NEEDS

LOCAL INDICATORS – The local indicators that will be used to measure progress will be as follows:

Interim assessments aligned to our priority standards in each grade level and each department.

Laton Unified will also use the California Department of Education Interim Block Assessments as an additional indicator of the progress that our students are making at the local level.

Grade level and departmental PLCs will be used to gauge student progress and direct classroom instruction.

Cycle of Inquiry process will ensure that on a quarterly basis, all staff understand what the individual classroom, grade level/department progress has been achieved.

STATE INDICATORS –

After Reviewing the California Dashboard, it was determined based on “Orange and Red” Designations the following areas will need to be addressed:

- English Progress (K-12)-“Orange”
- Graduation Rate(9-12) “Red”-Laton Unified status was a “Low” 73.5% and we “Declined Significantly” by 13.7%
- English Language Arts (3-8th) “Orange”-Laton Unified was classified as a “Low” at 60.5% below level 3. The district was able to maintain at +1.6%. A focus point will be our Special Education Students that declined by -10.3%
- Math (3rd-8) “Orange”-Laton Unified was classified as “Low with a rating of 59.5% below level three.

Based on this data, the staff and administration of Laton Unified will be using the following strategies to make progress on our Dashboard “Orange and Red” areas:

- ELA (3rd-8th) - Yellow:
 - ELs – Red
 - SED – Orange
 - SWD – Red
 - White – Orange
- Math (3rd-8th) - Yellow:
 - SWD – Orange

- ELA (11th): -59.8 points DF3 declined -51.6 points over time

Based on this data, the staff and administration of Laton Unified will be using the following strategies to make progress on our Dashboard, “Orange and Red areas:

Professional development in standards-aligned instruction and assessment

Professional development in English Learner and other student engagement instructional strategies, including differentiation, for both teachers and paraprofessionals

Vertical articulation between grade level PLCs

PLC release time for grade levels and individual departments to collaborate on data which will then be used as formative information to guide instruction and differentiation of learning based on the levels and progress of individual students.

Addition of 6th-12 counselor so that Laton Unified will be able to incorporate a fifth year program (8th-12th).

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these performance gaps?

- ELA (3rd-8th) - Yellow:
 - ELs – Red
 - SWD – Red

PERFORMANCE GAPS

1. Professional development in standards-aligned instruction and assessment
2. Professional development in English Learner and other student engagement instructional strategies, including differentiation, for both teachers and paraprofessionals
3. Vertical articulation between grade-level PLCs
4. PLCs released to collaborate on curriculum and assessment development and grade-level student scholarly skills rubrics.

INCREASED OR IMPROVED SERVICES

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

More than 87% of our students are unduplicated students with high percentages of SED, ELs, and SWD students. Students will benefit from increased or improved services including but not limited to:
 Bilingual paraprofessionals
 Early Literacy Intervention K-2; ELD support programs K-12
 Kindergarten Bootcamp and incoming 1st - 8th Summer School
 The addition or expansion of fine arts, drama, and music course offerings, instructional materials, and supplies
 Please see LCAP Highlights section

BUDGET SUMMARY

Complete the table below. LEAs may include additional information or more detail, including graphics.

DESCRIPTION	AMOUNT
Total General Fund Budget Expenditures for LCAP Year	\$10,482,309
Total Funds Budgeted for Planned Actions/Services to Meet the Goals in the LCAP for LCAP Year	\$8,526,308

The LCAP is intended to be a comprehensive planning tool but may not describe all General Fund Budget Expenditures. Briefly describe any of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP.

Basic Services including salaries and benefits; instructional materials; and facilities maintenance including utilities.
 The difference of \$1,956,001 not in the LCAP is \$300,000 Salaries and Benefits for Subs both certificated and classified, and \$1,656,001 is other consulting fees for land and building improvement and District Admin expenses.

\$7,222,675	Total Projected LCFF Revenues for LCAP Year
-------------	---

Annual Update

LCAP Year Reviewed: 2016–17

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 1

Hire Highly Qualified Teachers and Implement New Teacher Clinical Supervision Model which is a rigorous Development Model for continuous growth for teachers ranging from “new to the profession to those that are experienced in the profession”. To provide Professional Development to Teachers to increase the HQT rate. School Facilities are to be well maintained and Home to School transportation is to be continually provided to students.

State and/or Local Priorities Addressed by this goal:

STATE 1 2 3 4 5 6 7 8

COE 9 10

LOCAL _____

ANNUAL MEASURABLE OUTCOMES

EXPECTED

100% properly credentialed teachers.
No vacancies or misassignments
Will continue to improve school facilities with more up to date equipment
Maintain facilities in good repair as measured by the FIT tool.
Will continue to provide students with transportation
Provide Professional Development for all Teachers
Add Curriculum Director position to increase test scores and maintain a high graduation rate of students

ACTUAL

100% properly credentialed Teachers
0 Vacancies or misassignments
Improved and maintained facilities with all sites rated as being “good” or higher on the FIT report.
Transportation was provided
Publisher’s PD - ELA, ELD, Mathematics
ELA/ELD Wonders - K-5 All Day Oct. 18, 20 and 21
Houghton Mifflin California Collections ELA 6-8 Nov. 4 all day
Pearson, I-Lit ELL/ELD 9-12 Aug 12, 6-8 Aug 13
C & I Director was hired and focused on standards-aligned writing PD for all teachers, test scores are expected to increase from the focus on textual evidence-based critical thinking and writing.

ACTIONS / SERVICES

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action

1

Actions/Services

PLANNED
 Retain/hire HQT for all core and elective courses as positions come available. Special Education teachers and Paraeducators. Maintain clerical support for school operations, Administration costs, and substitute teacher/Para educator costs. No Teacher miss assignments or vacancies.

Increasing current Staff:
 Add Director of Curriculum, four RTI Paraeducators, Custodian/Grounds, IT Technician, and 5th Grade teacher

ACTUAL
 Higher than anticipated staffing changes/turnover due to a variety of circumstances including non-re-election in key positions.
 All Paraeducators, clerical support, and principals were retained.
 Increased staffing was accomplished in all areas as planned
 Added curriculum director position
 Custodian/Grounds was hired
 IT technician hired
 5th Grade teacher was hired

Expenditures

BUDGETED
 Total Personnel costs Salaries & Benefits
LCFF \$2,923,153
Spec. Ed \$241,733

EL Paraprofessionals and RTI Aides
\$232,951
Supplemental & Concentration (S&C)

ESTIMATED ACTUAL
 Total Personnel costs Salaries & Benefits
LCFF \$2,902,672
Spec. Ed \$241,733

EL Paraprofessionals and RTI Aides
\$213,515
Supplemental & Concentration (S&C)

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action

2

Actions/Services

PLANNED

Increase professional development opportunities for all teacher of EL and ELD Students to become more highly qualified Teachers with contracting two professors from Connecticut and the new Director of Curriculum.

Office furniture and equipment will be purchased for the District Curriculum Director to provide office accommodations. Work space tables and chairs dedicated to professional development work space will be purchased

ACTUAL

ELA and ELD teachers and multiple-subject credentialed teachers, along with SPED teachers were given PD in ELD strategies and curriculum including iLit Program and Wonders Curriculum, according to grade level appropriateness. Professors were not contracted during this school year. Curriculum Room was fully furnished and used repeatedly for professional development of all teachers

Expenditures

BUDGETED

Professional Development

\$40,000

S&C

Furniture and Equipment for Professional Development & Directors office

\$40,000

S&C

ESTIMATED ACTUAL

Professional Development

\$30,976.98

S&C

Furniture and Equipment for Professional Development & Director's office

\$31,064.82

S&C

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action

3

Actions/Services

PLANNED
 Maintain Facilities in good repair. Retain/Hire maintenance personnel and purchase tractor for facilities.

 Add Security Gate to High School Campus with added video cameras

 Home to School Transportation

ACTUAL
 1 maintenance person was hired
 Tractor was purchased and put into use
 Security Gate has not been moved to date
 Transportation is provided

Expenditures

BUDGETED
 Ongoing facilities Maintenance/ Repairs costs, Maintenance:
 Salaries & Benefits Cost
LCFF \$ 456,801
 Operational costs
LCFF \$816,925
 Tractor
LCFF \$40,000
 Security Gate
LCFF \$5,000
 Home to School
LCFF \$186,765

ESTIMATED ACTUAL
 Ongoing facilities Maintenance/ Repairs costs, Maintenance:
 Salaries & Benefits Cost
LCFF \$ 410,277.26
 Operational costs
LCFF \$904,478.35
 Tractor
LCFF \$40,000
 Security Gate
LCFF \$0.00
 Home to School
LCFF \$186,764

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.	Overall Goal 1 was fully implemented, although retention of staff was still below what had been hoped for. Professional development with university professors was not realized due to dates of services so the district did not contract with them and instead had the district curriculum director provide the PD.
Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.	Overall Goal 1 Actions were somewhat effective in retaining staff; improving teaching and learning; improving facilities; and continuing to provide students with transportation. Operation budget is over by 87,000 of which \$67,000 is a remodel to science lab which was supposed to be done in 2015-16 but ran into difficulties. \$20,000 is an increase to our utility bills.
Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.	The differences in budgeted and estimated actual expenditures comes from the inclusion of hiring the two professors to do professional development and coaching in the budget, but not finding a need to hire them during this school year. The \$40,000 dollars budgeted in Supplemental and concentration fund not used due to being unable to agree to a contract for dates needed.
Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.	The only critical change to goal 1 was in not hiring two professors to facilitate ELA and ELD professional development. A contract could not be agreed upon for the additional time with the professors, however, principals at each site and the curriculum director worked to facilitate ELA and ELD teaching exercises during their PLC time weekly. Professional development will be contracted locally in the 2017-2018 school year.

Goal 2

Improve Student engagements, increase student attendance and reduce student discipline. Meet High School Graduation rate and established by the state

State and/or Local Priorities Addressed by this goal:

STATE 1 2 3 4 5 6 7 8

COE 9 10

LOCAL _____

ANNUAL MEASURABLE OUTCOMES

EXPECTED

Reduce suspensions and discipline by 1%
Reduce expulsions by 1%
Increase student attendance by 2%
Maintain Dropout rate at 0% at middle school & reduce High School to 0%
Increase Graduation rate by 1%
Decrease Chronic Absenteeism by 1%

ACTUAL

2015-2016 suspensions were reduced or maintained at both the middle school and the high school. During 2016-2017 the district showed a .04% decrease in suspension rates going from 65 in 2015-2016 to 41 in 2016-2017 Met Goal

2015-2016 expulsions were maintained at both the middle school and high school. During 2016-2017 the district expelled two students 15/16 and 2 students 16/17 however, with so few students in the district the numbers distort our success. We believe the goal was met as only 2 students were expelled which would be a .002% expulsion rate.

2015-2016 attendance was 95 %.

Cohort Outcome Multi-Year Summary: 2014-15 @ 12.2% and 2015-16 @ 0% at Laton High School. Met Goal for One Year

0% drop out rate for Conejo Middle School 2014-2015 and 2015-2016. Met Goal

Graduation rate increased dramatically from the data published in the State Indicators on the CA Dashboard site: 2014-15 @ 73.5% and 2015-16 @ 97.2% Met Goal

Chronic absenteeism is being studied, 2014-2015 had absentee rate of .09%. ... 2015-2016 had an absentee rate of .02% reaching the goal. Met Goal

ACTIONS / SERVICES

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action **1**

Actions/Services

PLANNED
 Establish baseline data for a high school dropout rate.
 Resource Teacher and Paraeducators salaries and benefits.
 Maintain 6-12 grade Academic/Guidance counselor
 Counseling Interns will be added to help students with academic and social support K-12.
 Purchase core language arts curriculum, supplemental curriculum to support core.

 Purchase supplies for Fine Arts/Drama instruction.

ACTUAL
 Baseline data was established by utilizing Dataquest Cohort Outcome Multi-Year Summary: 2014-15 @ 12.2% and 2015-16 @ 0%
 Negotiations for increased salaries and benefits are currently in the works
 Academic counselor was retained
 7 counseling interns were hired and worked with students 6-12th.
 Collections ELA curriculum was purchased from Houghton Mifflin Harcourt for grades 6-12
 All students were provided sufficient core instructional materials as measured by the Board resolution #4 affirming Sufficiency of Instructional Materials as approved at the September 14, 2016 Board Meeting
 iLit online program was purchased to support the core curriculum including English Language Development.
 Supplies for the Fine Arts/Drama Instruction was purchased and utilized by students

Expenditures

BUDGETED
 Core Curriculum & Supplemental Curriculum
\$ 245,300 LCFF
 Resource Teacher, Counselor, & Paraprofessionals
 Salaried & Benefits
\$312,500
 S&C
 Fine Arts Supplies
\$40,000 S&C

ESTIMATED ACTUAL
 Core Curriculum & Supplemental Curriculum
\$ 259,599.86 LCFF
 Resource Teacher, Counselor, & Paraprofessionals
 Salaried & Benefits
\$302,863 S&C
 Fine Arts Supplies
\$1,935.84 S&C

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action

2

Actions/Services

PLANNED
 Truancy Intervention Program along with School Innovations and Advocacy (contracted services for student truant officer and record keeping) provide data for tracking students. Contract with Positive Behavior Interventions Support.

ACTUAL
 SWIS data was input and provided to all stakeholders
 PBIS continues to be implemented and supported
 Afternoon snacks – for extended Kindergarten day were provided for Kindergarten students

Snack for Kindergarten classroom beyond meal program

Expenditures

BUDGETED
 \$17,500
 TIP
 \$7,000 S&C
 PBIS
 \$5,000 S&C
 Drug K-9
 \$3,000 S&C
 Snack
 \$2,500 S&C

ESTIMATED ACTUAL
 \$17,500
 TIP
 \$7,000 S&C
 PBIS
 \$ 2,552 S&C
 Drug K-9
 \$ 800 S&C
 Snack
 \$ 2,500 S&C

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action **3**

Actions/Services

PLANNED
 Cyber High is a program for students who need credit recovery. Students may also take Cyber High classes to improve previous grades or to excel as approved by administration. This is a web based program offered by Fresno County Office of Education. eDynamicLearning online career and elective courses.

 Purchase technology for the core instruction and purchase supplemental curriculum.

ACTUAL
 Cyber High and eDynamic Learning online courses were offered as appropriate to students
 Technology was purchased to support the core instructional and supplemental curriculum.

Expenditures

BUDGETED
 Cyber High
\$8,500 S&C

 eDynamicLearning
\$4,650 S&C

 Technology
\$300,000 S&C

 Supplemental curriculum
\$61,806
S&C

ESTIMATED ACTUAL
\$8,500 S&C

 eDynamicLearning
\$4,650 S&C

 Technology
\$76,595 S&C

 Supplemental curriculum
\$61,569 S&C

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.	Overall Goal 2 was implemented. Improvements for State Indicators 5, 6, and 7: Pupil Engagement, School Climate, and Course Access were evidenced by improved and/or maintained data.
Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.	Overall Goal 2 Actions were effective especially in regards to truancy and counseling/intern counseling services provided for socio-emotional and academic success for our 6th through 12th grade students. Truancy is down according to Civil Rights data: K-5 in 2015 11% - 2016 1% 6-8 in 2015 6% - 2016 1% 9-12 in 2015 2% - 2016
Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.	The difference between budgeted and estimated actual expenditures stemmed from new and inexperienced administration not knowing what was in the LCAP and how to spend it. A new elementary principal started August 2016 and the district Superintendent left mid-year and had not mentored the principal about LCAP and the site budget. That has been addressed by the interim superintendent and will be a focus of the new superintendent starting July 2017.
Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.	The main differences for the new Goal 2 is: The inclusion of a focus on the issue of bullying, bullying awareness and prevention. A focus on preparing for the next grade-level and retaining educational knowledge and skills over the summer An expanded view of preparing students for college and career

Goal 3

Increase student achievement and improve scores for all state mandated tests, provide State Standards implementation, Broad course of study, other outcomes and sufficient materials for all students

State and/or Local Priorities Addressed by this goal:

STATE 1 2 3 4 5 6 7 8
COE 9 10
LOCAL _____

ANNUAL MEASURABLE OUTCOMES

EXPECTED

All students will increase achievement proficiency levels in ELA, ELD, Math and all academics as measured by regional, state and local/interim assessments.

Principal walking through classrooms. State Standards implementation will be measured by walk through forms.

Improve student scores on Smarter Balanced Tests by 2% score increasing by 2.5% or passing and students will show an increase in CELDT one proficiency level and will show an increase in all curricular areas as measured by the raw scores of local assessments.

All Students have sufficient materials.

All Students, including all subgroups, will have access to a broad course of study as measured by a review of teacher’s schedules.

All students, including all subgroups, will show other outcomes of a broad course of study as measured by more than 2% increase in students completing an AP course by the end of the school year.” Alternatively, “All students, including all subgroups, will demonstrate other outcomes of a broad course of study by meeting or exceeding state averages on the annual Physical Fitness Test

ACTUAL

Comparable Data is not consistent with local Data; State Dashboard and Placement Grids data are not current. See data below for Metric #3

Principals completed weekly site classroom walk-throughs and monthly district-wide classroom walk-throughs. Walk-throughs focused on building positive perspectives of site leadership by the teaching staff. 100% of the walkthrough forms reflected State Standards implementation.

Utilizing the CA Dashboard Status and Change Report

English Learner Progress declined -3.3%

English Language Arts (3-8) maintained +1.6 points

English Language Arts (11th) declined -51.6 points

Mathematics (3-8) increased +13.3points

Mathematics (11th) declined -29.2 points

CELDT Progress over previous data:

Laton Elementary School 67/85 =78.8%

Conejo Middle School 35/46=76.1%

Laton High School 26/40=65%

All students have sufficient materials as evidenced by the Board Approved “Sufficiency of Materials Resolution for 2016-2017”

All students had access to a broad course of study as measured by a review of teacher’s schedules.

Maintain or increase EL reclassification rate from 8% to 11%. API is suspended by the state.

Increase A-G, CTE, AP and EAP rates.

Meet High School graduation rates established by the state

Courses that were added to the Master Schedule this year were:

This year students took an A-G elective called EDynamic Learning which offered 60 different classes inside of it

AP completion rate:21/21 or 100%

AP success rate (3+):

English Lit/Comp 0/5 = .0%

US History 0/5 = .0%

Spanish Lang 5/6 = 83.3%

Physical Fitness Test 2015-16 data: Not Meeting or exceeding state averages on the annual Physical Fitness Test.

5th: 45% State Average Health Fitness Zone (HFZ) 63%

7th: 52% State Average Health Fitness Zone (HFZ) 61%

9th: 24% State Average Health Fitness Zone (HFZ) 63%

RFEP 2015-16 rate:

LES – 14/191 – 7.3%

CMS – 3/49 – 6.1%

LHS – 21/65 - 32.3%

Goal met at 15%

A-G completion rate:

6/39 completed A-G in 2015-16 15%

16/17 completed A-G 2016-17 39%

Met this Goal

CTE participation rate: 72 in CTE 2015-16; 54 in 2016-17 goal not met, did not increase

EAP:

Ready: 2/37 English; 0/37 Math

Conditionally Ready: 10/37 English; 3/37 Math

Goal Not Met

Graduation rate increased dramatically from the data published in the State Indicators on the CA Dashboard site: 2014-15 @ 73.5% and 2015-16 @ 97.2%
Met Goal

ACTIONS / SERVICES

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action

1

Actions/Services

PLANNED
 A Curriculum Director will be hired to facilitate professional development, academic coaching, and support services in order to increase academic achievement.
 The District will supplement the After-School Program with expanding the number of support staff and classes in order to increase student participation.
 A full-time Reading Intervention Specialist to work with at-risk students in TK-2 grades to improve literacy skills.
 Additional four instructional aides will be hired to work with the students in the RTI program.
 A new computer-based program, Waterford, will assist students in K-2 to improve knowledge and skills in ELA, math, and science.

ACTUAL
 Baseline data was established by utilizing Dataquest Cohort Outcome Multi-Year Summary: 2014-15 @ 12.2% and 2015-16 @ 0%
 Negotiations for increased salaries and benefits are currently in the works
 Academic counselor was retained
 7 counseling interns were hired and worked with students 6-12th.
 Collections ELA curriculum was purchased from Houghton Mifflin Harcourt for grades 6-12
 All students were provided sufficient core instructional materials as measured by the Board resolution #4 affirming Sufficiency of Instructional Materials as approved at the September 14, 2016 Board Meeting
 iLit online program was purchased to support the core curriculum including English Language Development.
 Supplies for the Fine Arts/Drama Instruction was purchased and utilized by students

Action

2

Actions/Services

PLANNED

My Life School will continue to provide students with real world problem solving learning opportunities as entrepreneurs. Resources will include an increased budget for technology and supplies. This program will also provide students support from professors to help support teachers with data, deep thinking, and creativity in the Common Core classroom.

All students, including all subgroups, will have sufficient materials, access to broad course of study. Purchase supplemental materials for Art, Music, and Drama.

ACTUAL

MyLife opportunities were provided to students both in a stand-alone class and also as an augment to traditional classes.

Supplemental materials were purchased for Art and Drama.

Actions/Services

PLANNED
 Purchase Supplemental materials for ELA, ELD, Math and common core support. State Standards Implementation and sufficient materials for all students.
 The district will fund educational field trips that support academics.

ACTUAL
 Core materials were purchased K-12 for ELA; K-5 for ELD
 Professional development was provided for ELA K-12, ELD 6-12, and for Math K-5
 The educational field trips that were funded by the district included:
 K - Train trip to study community transportation
 1st - Scout Island, plant and animal science
 1st - Enchanted Playhouse, reading, literature, theatre
 2nd - Planetarium, earth science
 3rd - Farm and nutrition day at Fresno Fair
 4th - Mission San Bautista, California History
 5th - Monterey Bay Aquarium, animal/ocean science
 6th - Science Camp, Sonora
 7th - San Francisco Exploratorium Museum, Science
 GATE - Peach Blossom Speech Festival
 High School Field Trips:
 San Joaquin Valley College- exploration and tour
 UC Merced - All AVID students - exploration and tour
 National University - Nursing Camp for senior students interested in the nursing field.
 UCLA - AVID exploration and tour.
 Getty Museum - AVID
 Museum of Tolerance AVID
 CSU Fresno - exploration and tour
 West Hills College- exploration and tour
 UC San Diego- exploration and tour

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.	<p>Hiring a dedicated teacher and additional aides for our RTI program is working. Collecting data seems to be its minor downfall because of lack of frequency meaning that we have been looking for an application that gives weekly feedback on individual progress. Initial identification of comes from prior assessments and teacher recommendation but a timely, constant data feed has been lacking.</p> <p>Hiring a curriculum director will help bring the RTI program together with support in data processing and coordination of ELA and math interventions</p> <p>MyLife classes brought a broad selection of curricula from which students could try but ultimately failed because there was too much being offered. Students were in the same room with students from another subject area but had the same teacher trying to teach different topics. Small school district suffers this malady. The My Life program was only available to students who voluntarily entered the program and although it was project based, not all students had access.</p> <p>All students will have access to the new project based learning program with a teacher who will be teaching only that instead of a divided curriculum.</p> <p>Those who consider field trips "fluff" as an educational tool have not experienced the poverty that LUSD students live every day. Experience may not be the "best" teacher, but it almost always results in the most enduring lessons. Our goal is to provide multiple opportunities throughout a student's education at LUSD to "experience" life outside of what Laton has to offer be it college, zoo, museum, theatre, ocean.</p>
Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.	<p>Overall Goal 3 Actions may prove effective once we see our student scores over the next few years as our TK-2 Early Literacy Interventions begin to show on the CA Dashboard results.</p> <p>College visitations seem to have really started some family discussions about their child attending. We have some very poor families in our district who have never even considered college as an option because of cost, but now there are many parents asking questions about the feasibility of their child attending and I believe it is because of the visitations. We are not sure how to quantify the experiences of students through data analysis yet but plan on using surveys to come to some conclusions about the efficacy of our assumptions.</p>
Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.	<p>The difference between budgeted and estimated actual expenditures stemmed overestimating the costs for college campus visits. It was estimated that students would do more overnight visitations, but programing and scheduling conflicts proved to be too time consuming for students. District decided to visit campuses closer to Laton and not do overnight visits.</p>
Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.	<p>The main difference for the new Goal 3 is the district focus on academic standards and scholarly skills, professional development focused on standards-aligned teaching and learning especially where it involves differentiation for our unduplicated students.</p>

Goal 4

Increase engagement between internal (students and employees) and external stakeholders (parents, guardians, volunteers, employee applicants, higher education, and industries).

State and/or Local Priorities Addressed by this goal:

STATE 1 2 3 4 5 6 7 8

COE 9 10

LOCAL _____

ANNUAL MEASURABLE OUTCOMES

EXPECTED

Increase parent and community participation by 3% for all school activities
Increase number of students employed by graduation.
Increase college acceptance letters to students.
Increase number of parent participants taking parent survey by 3%.
Increase parent participation by 3% in: parent/teacher conferences, awards assemblies, open house

ACTUAL

The percentage of parent participation at school events was:
ELAC/DELAC/SSC 28% Baseline Data

The number of students who were employed by graduation for 2015 was 27; 2016 is 11.

The number of college acceptance letters to students for 2015 was 6; 2016 is not known yet.

The percentage of parents who returned the LCAP survey was 21%

The percentage of parents who participated in parent/teacher conferences is:
LES - 95%
CMS - 86%
LHS - 85%

ACTIONS / SERVICES

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action **1**

Actions/Services	<p>PLANNED The district will offer classes for parents to learn English.</p>	<p>ACTUAL The district offers both beginner and intermediate ESL classes for parents, day and evening classes, through West Hills College on the Laton High School campus, in the MyLife room.</p>
Expenditures	<p>BUDGETED Materials \$10,000 S & C</p>	<p>ESTIMATED ACTUAL Materials \$5,000 S & C</p>

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action **2**

Actions/Services	<p>PLANNED Purchase equipment, materials and supplies for parent classes and workshops</p>	<p>ACTUAL Requests for supplies have included markers, papers, and copying.</p>
Expenditures	<p>BUDGETED Materials & Supplies \$35,000 S & C</p>	<p>ESTIMATED ACTUAL Materials & Supplies \$1,000 S & C</p>

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.	Overall Goal 4 was well-implemented. ESL classes have been very successful and well-attended by 97 parents during 2016-2017
Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.	Overall Goal 4 Actions were effective especially where it comes to the partnership created with Laton Unified and West Hills College.
Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.	The difference between budgeted and estimated actual expenditures stemmed from the utilization of West Hills College personnel to teach the ESL classes instead of LUSD personnel. West Hills College paid for their instructors to do the program.
Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.	The main differences for the new Goal 4 is creating an emphasis for State Indicator #3, parent engagement, not only for school events, but for participation in the educational decision-making opportunities for their own student, school site, and the district. In addition, a focus on State Indicators 5 and 6, pupil engagement and school climate, by working on improvement for SART and SARB processes and success.

Stakeholder Engagement

LCAP Year 2017–18 2018–19 2019–20

INVOLVEMENT PROCESS FOR LCAP AND ANNUAL UPDATE

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

Laton Unified School District places a high value on stakeholder involvement in developing, reviewing, and supporting the District Strategic Plan, which includes the Local Control and Accountability Plan (LCAP). Stakeholders include parents (English and English learners), community members, students, union and non-union employees, and employees from Fresno County Office of Education.

The superintendent was directed by the School Board to conduct a communication plan that involved members of the local community including those who live in or work in Laton. The superintendent provided each constituent group a report on his findings, which served as data for District goals beginning this current school year.

The following groups participated in surveys, both qualitative and quantitative, and feedback sessions:

Student Feedback (4th, 6th, 8th, 9th, 10th, 11th, 12th)

School Survey – 228/342 = 66.7%

Certificated and classified bargaining units

Teacher Feedback

School Survey – 35/45 = 77.8%

Support Services Survey – 30/45 = 66.7%

All-staff LCAP State Priority Meeting – 26/ 100 = 26 %

Parent Survey

School Survey – 83/375 = 22.1%

Parent LCAP State Priority Meeting

58 Parents and community members participated

Teachers, Counselors, and Translators provided a presentation and feedback opportunity.

Daycare was provided, attendance incentives were provided, snacks were provided, and feedback was provided.

Support Staff (Secretaries, Custodial & Technology)

Survey response to Teacher Support Services Survey results

All-staff LCAP State Priority Meeting

All school Administrators

LCAP information was provided to all employees, certificated and classified Bargaining unions, school site councils, DELAC, DAC, parents, community members and Board Members. The draft was posted on the website for public comment after the DAC and DELAC meeting May 16, 2017 until the public hearing June 14, 2017. The data shared with the Stakeholders at the meetings were the metrics for all Goals and Actions for the eight priorities. There were no public comments to the Superintendent that needed a response in writing from the DAC, DELAC or public hearing.

2017-18 LCAP TIMELINE:

January 25, 2017 – LCAP Planning Meeting

February 8, 2017 – Begin collecting survey data from Teachers, Students, Parents, and Support Staff.

February 26, 2017 – DELAC meeting – Share dashboard data

March 20 & 27, 2017 – PD Design Team – 20-member team with PD/LCAP focus

April 3, 2017 – Certificated and Classified Staff meeting to discuss 8 State Priorities and prioritize LCAP areas of focus

April 6, 2017 - LCAP Planning Meeting #2

April 19, 2017 – Stakeholder Meeting – Parents/Community members

April 24, 2017 – LCAP Planning Meeting #3 - review Parent/Community input and complete first draft

April 27, 2017 – LCAP Draft complete, presentation to DELAC & DAC

May 1, 2017 – Superintendent response to DELAC & DAC questions or comments

May 3, 2017 – LCAP final draft to FCOE for final feedback

May 3 - 10, 2017 – LCAP Public Comment

May 10, 2017 – LCAP & Budget Public Hearing at Board Meeting

June 14, 2017 – Board Approval of LCAP & Budget

June 30, 2017 – Submit approved LCAP & Budget to FCOE

IMPACT ON LCAP AND ANNUAL UPDATE

How did these consultations impact the LCAP for the upcoming year?

Using data collected from constituents, LCAP priorities were constructed. School Board Members, Teachers, and members of the Leadership Team reviewed all data, and prioritized goals and actions. The following changes were made:

Maintain Curriculum Director position, LCAP 2016

Re-establish FCOE professional development relationship - Staff survey indicated that professional development from the Fresno County Office of Education was the preferred delivery vehicle and that the district should have them do PD 2017-2018

Maintain all other new positions from previous LCAP

Add a Learning Director to the K-8 campus - Staff and parent surveys indicated that a learning director should be added to the middle school campus. Goal 2, Action 1

Add additional hours to Middle School Physical Education teacher - Staff and Parent surveys asked for full time PE teacher at the middle school. Goal 3, Action 4

Add a Fine Arts/Drama/Music and/or Physical Education Teacher at the K-5 - Parent survey and parent meetings indicated a need for this item. Goal 3, Action 4

Add additional security/ equipment at the high school - Parent meetings and surveys indicated that more security was needed at the high school and that more cameras and security personnel should be hired. Goal 2, Action 1

Increase the hours for the IT Technician to be a 6-hour employee. Goal 3, Action 3

Add an data/assessment program for use in the PLCs for data-driven instructional decision making - Staff survey and meetings indicated that since more complete data will be needed from many different sources, and because the district does not have a system that disaggregates data, staff made the recommendation to purchase Illuminate to go along with our current SIS system. Goal 3, Action 3

Focus on standards-aligned curriculum, instructional planning, and common assessments came from committee meetings, Goal 3, Action 1

Develop district-wide grade-level rubrics for student scholarly attributes - this recommendation was a product of 2016-2017 professional development around standards and assessment. Goal 3, Action 1

Continue or expand Parent Workshops and form a PIQE (Parent Institute for Quality Education) institute Goal 4 Action 1

Continue ESL for Parents - This is from parent survey 2017

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

New Modified Unchanged

Goal 1

The LUSD believes that all students, including English Learners, students with special needs and students receiving intervention services should have access to and use of standards-aligned instructional materials for all content areas with the newest technology. That they will be taught by fully and appropriately credentialed teachers in safe and clean facilities that are in good repair and are maintained regularly.

State and/or Local Priorities Addressed by this goal:

STATE 1 2 3 4 5 6 7 8
 COE 9 10
 LOCAL _____

Identified Need

More competitive salaries and benefits to attract and retain LUSD prospective and existing employees as evidenced by larger number of newly credentialed or intern personnel and high turn-over rate
 Safe and Clean facilities
 Standards Aligned textbooks and materials

EXPECTED ANNUAL MEASURABLE OUTCOMES

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
Percentage of fully credentialed teachers as measured by 2016-2017 SARC	100% fully credentialed teachers 2016-2017 (45/45)	95% fully credential Teachers	LUSD intends to have 100% fully credential Teachers in 2018-19 and no vacancies	LUSD intends to have 100% fully credential Teachers in 2019-20 and no vacancies
Number of missassignments and vacancies	0 missassignments and vacancies	We will have two teachers that will be working on passing their RICA Assessment. (anticipated 43/45)	0 missassignments and vacancies	0 missassignments and vacancies

		0 missassignments and vacancies		
As measured by William’s Act report; School Accountability Report Card (SARC); GE/RTI/SPED teacher surveys annual board resolution of “Sufficiency of Instructional Materials”	All necessary core and supplemental materials, and technology, are available and accessible to students. Zero Williams Act Uniform Complaints were filed. Board Agenda Item each year signifying affirmation of sufficient or non-sufficient materials, 2016 found it sufficient August 2016	All necessary core and supplemental materials, and technology, are available and accessible to students. Zero Williams Act Uniform Complaints Affirmation through Board Action August 2017	All necessary core and supplemental materials, and technology, are available and accessible to students. Zero Williams Act Uniform Complaints Affirmation through Board Action August 2018	All necessary core and supplemental materials, and technology, are available and accessible to students. Goal 2

LUSD believes that regular school attendance is essential to learning. LUSD is committed to preparing ALL students to be college or career ready. Students must have a positive learning environment with social-emotional support by staff and peers without fear of anti-social/bullying behavior.

State and/or Local Priorities Addressed by this goal:

STATE 1 2 3 4 5 6 7 8

COE 9 10

LOCAL _____

Identified Need

Bullying has been identified as an on-going issue and may contribute adversely to suspension and expulsion rates and overall student engagement and school climate perceptions.

Awards, Rewards and Incentives for positive school climate and attendance,

SARB/SART Facilitator/coordinator

Learning Director

Campus Security Officer

Drug Free School Environment

EXPECTED ANNUAL MEASURABLE OUTCOMES

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
Students who need transportation are being transported every day.	100% of students needing transportation to school are being served appropriately	100% of students needing transportation to school are being served appropriately	100% of students needing transportation to school are being served appropriately	100% of students needing transportation to school are being served appropriately

bullying awareness for all stakeholders

- C. Contracting with Positive Behavior Intervention & Supports (PBIS) and when necessary district will continue to fund PBIS programs at each site K-12.
- D. Providing Professional Development for teachers and staff to increase bullying awareness and for prevention and intervention techniques.
- E. Implementing Safe School Ambassadors 4th - 12th
- F. K9 Drug Dogs, Central Valley Detection KT
- G. TIP - Truancy Intervention Program
- H. Snack for kindergarten beyond meal program

It is our expectation that providing these actions and supports for our unduplicated students will encourage fewer discipline referrals, suspensions and expulsions, leaving more time for learning and therefore increased performance on CAASPP, CELDT, A-G courses, and a more positive outlook on school in general.

Goal 3

LUSD is committed to providing access to a broad course of study and assessment data to inform parents, students and teachers of progress towards College and Career Readiness and student fitness. LUSD believes all students can become proficient in common core content areas and that achievement gaps will be minimized for all sub-groups.

State and/or Local Priorities Addressed by this goal:

STATE 1 2 3 4 5 6 7 8
COE 9 10
LOCAL _____

Identified Need

Students are not prepared for the rigor and expectations of CAASPP assessments, college or career.
 Not all English Learners are making sufficient progress annually in ELA or math.
 Not all English Learners are making sufficient progress on CELDT
 Students are not prepared to achieve on physical fitness tests.
 Teachers need professional development, coaching and collaboration on common core standards and project based learning.
 Teachers need professional development on physical fitness standards and assessments.

EXPECTED ANNUAL MEASURABLE OUTCOMES

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
100% of Teachers achieve mastery of common core standards and project based learning through professional development as measured by the district professional development calendar and sign in sheets	100% of Teachers attended all professional development events as measured by sign in sheets and visual observation by both district office personnel and site leadership (Principal/Learning Director)	100% of Teacher will commit to attend all professional development events as measured by sign in sheets and visual observation by both district office personnel and site leadership (Principal/Learning Director)	100% of Teacher will commit to attend all professional development events as measured by sign in sheets and visual observation by both district office personnel and site leadership (Principal/Learning Director)	100% of Teacher will commit to attend all professional development events as measured by sign in sheets and visual observation by both district office personnel and site leadership (Principal/Learning Director)

ACTIONS/SERVICES

2017-18

New Modified Unchanged

1. The unduplicated students at LUSD have the lowest participation in AP courses and we believe this is partially due to the lack of knowledge unduplicated students have about what it takes to go to a college or post-secondary institution.

To address this need, Laton High School will introduce our unduplicated population of students to post-secondary education through college visitations throughout their middle and high school experience. We want to make post-secondary education the expectation of every student.

A. Grades 6-12 will make at least one college visit

B. Grades 11-12 will visit at least one CTE program at a community college

Our thought is if they have some familiarity with post-secondary institutions, they will be more interested in taking Advanced Placement classes that will help get them into college or at the very least doing some investigation into community

2018-19

The unduplicated student population are some of the lowest performing students on state assessments and have some of the lowest attendance rates. Meet this need the LEA will:

1. Purchase supplemental materials, technology, one to one chromebooks grades 4-12, printers, headsets, peripheral equipment so unduplicated students can access a 21st century curriculum.
2. All students will attend culturally enriching field trips.

These actions will increase achievement on state and local assessments and increase attendance for the unduplicated students.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year

 2017–18 2018–19 2019–20

Estimated Supplemental and Concentration Grant Funds:

\$1,602.774

Percentage to Increase or Improve Services:

29.76%.

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds ([see instructions](#)).

Using the calculation tool provided by the state, Laton Unified School District has calculated that it will receive \$1,602.774 in Supplemental and Concentration funding under the Local Control Funding Formula (LCFF). The details of these expenditures are itemized in the Goals, Action and Services section of this plan and include a commitment to common core standards instruction, access to a broad course of study, social-emotional counseling so students feel safe at school and college visitations to introduce various pathways and better serve our highly at risk and mobile population. The district will engage in professional development for staff to implement ELA, MATH, and ELD standards in all grades. In addition the LEA will provide an RTI intervention system, PBIS, safety personnel, Truancy prevention, Cyber High, supplemental curriculum, a Learning Director, data systems, educational field trips, after school programs, technology, parent education and communication. All actions and expenditures of funds marked as contributing to increased or improved services were taken with the needs of our unduplicated population in mind based on careful analysis of data and input from our stakeholders. All of these actions are principally directed toward our unduplicated population to help the Laton Unified School District be effective in meeting the goals of the LEA. Under each action marked for increased or improved services is a detailed explanation of how that action is principally directed toward the unduplicated student population and effective in helping those students meet the goals of Laton Unified School District. Since our unduplicated student population count is 89.5% , all of these actions and services are being performed on a schoolwide or districtwide basis in order to increase the efficiency and effectiveness of the delivery of these actions and services. In addition using the same calculation tool the proportionality percentage has been calculated at 24.20%. Laton Unified School District has demonstrated that it has met the 29.76%. proportionality percentage by expending \$ 1,602,774 in funds on actions and services that are principally directed towards the unduplicated student population and marked as increasing and improving services as summarized above and as explained in detailed in this plan in the Goals, Actions & Services section.

Local Control and Accountability Plan and Annual Update Template Instructions

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

[Plan Summary](#)

[Annual Update](#)

[Stakeholder Engagement](#)

[Goals, Actions, and Services](#)

[Planned Actions/Services](#)

[Demonstration of Increased or Improved Services for Unduplicated Students](#)

For additional questions or technical assistance related to completion of the LCAP template, please contact the local county office of education, or the CDE's Local Agency Systems Support Office at: 916-319-0809 or by email at: lcff@cde.ca.gov.

[Plan Summary](#)

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year.

When developing the LCAP, mark the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, mark the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the LCFF Evaluation Rubrics data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to LCFF Evaluation Rubrics means the evaluation rubrics adopted by the State Board of Education under EC Section 52064.5.

[Budget Summary](#)

The LEA must complete the LCAP Budget Summary table as follows:

- **Total LEA General Fund Budget Expenditures for the LCAP Year:** This amount is the LEA's total budgeted General Fund expenditures for the LCAP year. The LCAP year means the fiscal year for which an LCAP is adopted or updated by July 1. The General Fund is the main operating fund of the LEA and accounts for all activities not accounted for in another fund. All activities are reported in the General Fund unless there is a compelling reason to account for an activity in another fund. For further information please refer to the *California School Accounting Manual* (<http://www.cde.ca.gov/fg/ac/sa/>). (Note: For some charter schools that follow governmental fund accounting, this amount is the total budgeted expenditures in the Charter Schools Special Revenue Fund. For charter schools that follow the not-for-profit accounting model, this amount is total budgeted expenses, such as those budgeted in the Charter Schools Enterprise Fund.)
- **Total Funds Budgeted for Planned Actions/Services to Meet the Goals in the LCAP for the LCAP Year:** This amount is the total of the budgeted expenditures associated with the actions/services included for the LCAP year from all sources of funds, as reflected in the LCAP. To the extent actions/services and/or expenditures are listed in the LCAP under more than one goal, the expenditures should be counted only once.
- **Description of any use(s) of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP:** Briefly describe expenditures included in total General Fund Expenditures that are not included in the total funds budgeted for planned actions/services for the LCAP year. (Note: The total funds budgeted for planned actions/services may include funds other than general fund expenditures.)

- **Total Projected LCFF Revenues for LCAP Year:** This amount is the total amount of LCFF funding the LEA estimates it will receive pursuant to *EC* sections 42238.02 (for school districts and charter schools) and 2574 (for county offices of education), as implemented by *EC* sections 42238.03 and 2575 for the LCAP year respectively.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP. Minor typographical errors may be corrected.

* For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the **actual** actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

Using actual annual measurable outcome data, including data from the LCFF Evaluation Rubrics, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided in the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. *EC* identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. *EC* requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, *EC* Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, mark the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, mark the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. ([Link to State Priorities](#))

Identified Need

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the LCFF Evaluation Rubrics, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the [LCAP Template Appendix, sections \(a\) through \(d\)](#).

Planned Actions/Services

For each action/service, the LEA must complete either the section “For Actions/Services not contributing to meeting Increased or Improved Services Requirement” or the section “For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement.” The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The “Students to be Served” box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by checking “All”, “Students with Disabilities”, or “Specific Student Group(s)”. If “Specific Student Group(s)” is checked, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate “All Schools”. If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must mark “Specific Schools” or “Specific Grade Spans”. Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by selecting “Specific Schools” and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, “All Schools” and “Specific Schools” may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA’s overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see [Demonstration of Increased or Improved Services for Unduplicated Students](#) section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify scope of service by indicating “LEA-wide”, “Schoolwide”, or “Limited to Unduplicated Student Group(s)”. The LEA must select one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, place a check mark next to “LEA-wide.”
- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, place a check mark next to “schoolwide”.
- If the action/service being funded and provided is limited to the unduplicated students identified in “Students to be Served”, place a check mark next to “Limited to Student Groups”.

For charter schools and single-school school districts, “LEA-wide” and “Schoolwide” may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use “LEA-wide” to refer to all schools under the charter and use “Schoolwide” to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use “LEA-wide” or “Schoolwide” provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must mark "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by selecting "Specific Schools" and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may be grouped together. LEAs may number the action/service using the "Action #" box for ease of reference.

New/Modified/Unchanged:

- Check "New" if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.
- Check "Modified" if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.
- Check "Unchanged" if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.
 - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may check "Unchanged" and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school's budget that is submitted to the school's authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the "Goals, Actions, and Services" section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by EC sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the "Demonstration of Increased or Improved Services for Unduplicated Students" table and mark the appropriate LCAP year. Using the copy of the table, complete the table as required for the current year LCAP. Retain all prior year tables for this section for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to *California Code of Regulations*, Title 5 (5 CCR) Section 15496(a)(5).

Percentage to Increase or Improve Services

Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.
- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.
- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

State Priorities

Priority 1: Basic Services addresses the degree to which:

- A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and
- C. School facilities are maintained in good repair.

Priority 2: Implementation of State Standards addresses:

- A. The implementation of state board adopted academic content and performance standards for all students, which are:
 - a. English Language Arts – Common Core State Standards (CCSS) for English Language Arts
 - b. Mathematics – CCSS for Mathematics
 - c. English Language Development (ELD)
 - d. Career Technical Education
 - e. Health Education Content Standards
 - f. History-Social Science
 - g. Model School Library Standards
 - h. Physical Education Model Content Standards
 - i. Next Generation Science Standards
 - j. Visual and Performing Arts
 - k. World Language; and
- B. How the programs and services will enable English learners to access the CCSS and the ELD standards for purposes of gaining academic content knowledge and English language proficiency.

Priority 3: Parental Involvement addresses:

- A. The efforts the school district makes to seek parent input in making decisions for the school district and each individual school site;
- B. How the school district will promote parental participation in programs for unduplicated pupils; and
- C. How the school district will promote parental participation in programs for individuals with exceptional needs.

Priority 4: Pupil Achievement as measured by all of the following, as applicable:

- A. Statewide assessments;
- B. The Academic Performance Index;
- C. The percentage of pupils who have successfully completed courses that satisfy University of California (UC) or California State University (CSU) entrance requirements, or programs of study that align with state board approved career technical educational standards and framework;
- D. The percentage of English learner pupils who make progress toward English proficiency as measured by the California English Language Development Test (CELDT);
- E. The English learner reclassification rate;
- F. The percentage of pupils who have passed an advanced placement examination with a score of 3 or higher; and
- G. The percentage of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

Priority 5: Pupil Engagement as measured by all of the following, as applicable:

- A. School attendance rates;
- B. Chronic absenteeism rates;
- C. Middle school dropout rates;
- D. High school dropout rates; and
- E. High school graduation rates;

Priority 6: School Climate as measured by all of the following, as applicable:

- A. Pupil suspension rates;
- B. Pupil expulsion rates; and
- C. Other local measures, including surveys of pupils, parents, and teachers on the sense of safety and school connectedness.

Priority 7: Course Access addresses the extent to which pupils have access to and are enrolled in:

- A. A broad course of study including courses described under *EC* sections 51210 and 51220(a)-(i), as applicable;
- B. Programs and services developed and provided to unduplicated pupils; and
- C. Programs and services developed and provided to individuals with exceptional needs.

Priority 8: Pupil Outcomes addresses pupil outcomes, if available, for courses described under *EC* sections 51210 and 51220(a)-(i), as applicable.

Priority 9: Coordination of Instruction of Expelled Pupils (COE Only) addresses how the county superintendent of schools will coordinate instruction of expelled pupils.

Priority 10. Coordination of Services for Foster Youth (COE Only) addresses how the county superintendent of schools will coordinate services for foster children, including:

- A. Working with the county child welfare agency to minimize changes in school placement
- B. Providing education-related information to the county child welfare agency to assist in the delivery of services to foster children, including educational status and progress information that is required to be included in court reports;
- C. Responding to requests from the juvenile court for information and working with the juvenile court to ensure the delivery and coordination of necessary educational services; and
- D. Establishing a mechanism for the efficient expeditious transfer of health and education records and the health and education passport.

Local Priorities address:

- A. Local priority goals; and
- B. Methods for measuring progress toward local goals.

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *EC* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where "chronic absentee" means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) "Middle School dropout rate" shall be calculated as set forth in 5 CCR Section 1039.1.

(c) "High school dropout rate" shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) "High school graduation rate" shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

NOTE: Authority cited: Sections 42238.07 and 52064, *Education Code*. Reference: Sections 2574, 2575, 42238.01, 42238.02, 42238.03, 42238.07, 47605, 47605.6, 47606.5, 48926, 52052, 52060, 52061, 52062, 52063, 52064, 52066, 52067, 52068, 52069, 52070, 52070.5, and 64001,; 20 U.S.C. Sections 6312 and 6314.

APPENDIX B: GUIDING QUESTIONS

Guiding Questions: Annual Review and Analysis

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to *EC* Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Guiding Questions: Stakeholder Engagement

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *EC* Section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to *EC* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *EC* Section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 *CCR* Section 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Guiding Questions: Goals, Actions, and Services

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in *EC* Section 42238.01 and groups as defined in *EC* Section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in *EC* Section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *EC* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?
