OT Crash Course

Barriers

1. Reading the OT as a _________________ - _________________ text.*
   a. For example, the laws in Deuteronomy ______

2. __________________ language (diatheke in Greek > testament OR covenant)
   a. A political/national agreement between two kings. The King of higher power
      was known as the ____________________, while the King of lower
      power/status was the ____________________.
   b. If the vassal-king honored the covenant-partnership, he was ____________,
      and it was said that he ___________________ the suzerain.
   c. If the vassal broke the covenant, he would be ___________________, and
      he then ________________ the suzerain.
   d. Deuteronomy ___:1-14 > Covenant ______________
   e. Deuteronomy 28:15-_____ > Covenant ______________
   f. Also see Leviticus 26 for a similar list of “rewards and penalties.”
