

BLUE RIVER RESCUE SQUAD

201 w. Exchange Street
Blue River, Wisconsin 53518

Dear Elizabeth Davy,
GFWC-WI Special Projects Chair – EMSC
W. 359 N.5920 Brown Street, Suite 102
Oconomowoc, WI 53066

On behalf of the Blue River Rescue Squad and the Blue River community I would like to thank you for your help in the purchase of the pediatric equipment and the pediatric jump bag. You and the members of the GFWC – Wisconsin should be congratulated for your efforts to equip the EMS services with specific equipment for pediatric patients. This is a very worthwhile endeavor.

We have received our equipment and are putting this equipment into the age specific compartments. This separation by age will be a great help to all of us when we are responding to a pediatric emergency call. Any emergency call that involves a young child is always met with a great deal of anxiety. This anxiety will most certainly be lessened by having the specific age related equipment readily available without any guess work or confusion by the Emergency Responder.

Once again, thank you to you for your efforts and a big thank you to the Boscobel Club members for adopting us in Blue River. This gift is a most welcome addition to our squad.

Sincerely,

Richard Lee, Crew Chief
Blue River Rescue Squad.
