Dear Elizabeth,

On behalf of Oconto Fire Rescue Department/Oconto Ambulance Service, I am writing to thank you for your donation of the Pediatric Jump Kit Bag from GFWC-WI to our ambulance service. We thank you so much for sharing with us this valuable jump bag. This bag has made our job easier by better identifying the age groups of our young patients. And having the bag well organized takes the guess work out of the picture which is important in critical situations.

As you and your group are aware, the size of the equipment we use is important with children of various ages. We used to operate from a small, one-size-fits-all jump bag that made it difficult to locate items and limited us from carrying all the different sizes of equipment. Now, we are able to carry every piece of equipment we need in the single bag and can categorize the items by the size of the child. This bag made our job a whole lot easier.

Thanks once again for your support and generous donation!!

Sincerely,
