

Dear Women's Club of East Troy,

10 years ago this very weekend your organization sponsored a shy sophomore to attend the Wisconsin Leadership Seminar. I didn't know what to expect going in, and I wasn't sure what I got coming out, but at the time I thanked you kindly and went on with the next 10 years of my life.

Now, I am 27 years old and can tell you exactly what I got out of that experience: the desire to make a difference in a young person's life. I have continued to volunteer and grow with WILS over the years, and as I stand on the brink of starting the next chapter in my life on the other side of the country, I must turn to you in thanks for giving me an opportunity to have a difference made in my life so I can make a difference in another.

Yours in service.

Thank you,

Cady Cummings
