Dear GFWC Wisconsin Junior Women's Clubs,

It is with deep appreciation that I personally thank you for your donation of \$500.00 on 5/21/2018 toward GFWC's **Campaign for the Future** for naming rights to Marianne Potter's Director of Junior Clubs portrait.

Contributions such as these help secure the future of GFWC Headquarters so that it can continue to serve as a base for the nation's most effective and impactful women's organization. As GFWC celebrates over 127 years it is important that we take the necessary steps to ensure that our home continues to serve the federation well into the future.

The Capital Campaign will help us maintain our presence in Washington, D.C. and do what is necessary to preserve our history. It will also support the community improvement programming that helped establish and solidify our reputation.

Enclosed is a Hard Hat Pin as a token of appreciation for your commitment and contribution to GFWC's Campaign for the Future.

We truly appreciate your help and assistance in continuing the work of the General Federation of Women's Clubs in communities around the world.

Forever *Living the Volunteer Spirit* Through GFWC,
