GFWC-WI Junior Woman's Club
Ms. Loretta Caron
6107 7th Street
Kenosha, WI 53143

Thank you!

Dear Ms. Caron, *Loretta*

On behalf of the youth and families served by the National Runaway Safeline (NRS), thank you for your recent gift of \$750.00. The tax deductible portion of your gift is \$750.00.

"I thought the person I spoke to was 100% amazing. He/she gave me full details on risks about being a runaway and I know what I'm going to do now. Thank you!"

"The person I talked to was very kind and validated me. Sometimes we all just need someone to listen and empathize with us during our darkest times. I feel better after talking to the person and I don't regret opening up."

"I really like how the chat liner was very unbiased and actually made me feel like they cared although they didn't know me. They are very supportive and before the chat I was very suicidal and was crying but now I am happier and have no thoughts of suicide."

The above comments were left by youth who went to 1800RUNAWAY.org in 2017 and reached out for help through live crisis chat online. Your gift will reach out to youth like these and their families in crisis. Because generous donors are there for NRS, we make over 250,000 connections through hotline, online and offline resources. With your support, NRS can ensure there is always a front line team member at 1-800-RUNAWAY to be there when a child reaches out for help.

Warmest regards,

Maureen Blaha
