These lights are mainly symbolic.

There won't be time to look in the mirror.

This should be self-explanatory.

Under here, nothing.

Don't ask me.

I don't need that much memory.

Enough already.

What if you were happy for just one second?

Calm down.
Remain fastened
Stay in perfect order
Do not go into holes
Stand up straight
Make eye contact
Ignore the wall
all mine

of course

big deal

no offense

thank you

It used to be like this,
but now it's like this.

Look! I figured it out!

We don't know what's in here.

I want to sit next to you.
That's nothing to joke about.

We mean it.

Reversible shadows are very serious.

Why are you still laughing?
Please hold all questions until the end.

This is more important than you think.

Hurry or it will be too late.

I'm not crying. It's just allergies.

It doesn't matter whose fault it was.
We will never forget our lines.

If I could click “like” on your like, I would.
Sad

Doesn’t do anything
I choose to interpret it a different way

Indeed

It wasn't meant to be funny

You have to put them to sleep with a poem

I wouldn't actually do it
Don't ever do what she's doing.

She never listens.

I have nothing else to say.
I mean it.

Always.

Sometimes.

Seldom.

Clearly.

However.
It's about the nature of reality.

Resist the obvious.

Take a deep breath.

Whose side are you on?

This relieves stress.
You're thinking too hard.
It didn't sound like that

Not to be taken literally

Very unique
Stop using the passive voice.

You say either, I say either.

Anything you can do, I can do better.

Don't worry. I won't mind sitting here. Really. It's OK.

You sit here. It has a nicer view.

Honey, when you knocked on my door, I gave you my key.
just try not to picture it

check regularly

it feels like [this gesture]

coaster

it can't be put into words
1. If by land
2. If by sea
3. Faster
4. We're not there yet
Erratum: This label should have been labeled "Instructions".

Invisible energy waves, Visible energy waves
Both kinds

How did this get here

Balance for the thing over there
I'm just telling you so I don't forget

That sounds more like an opinion

Here

Forget it
I wonder what will happen next.
INTERNAL CORNERS HAVE 0" RADIUS

just like that

oh

yes, yes, yes

oh

(moan)

more

Focus only on the flaw.

More maintenance required.

It's electric.

It's in its nature.

See if you agree.
Keep work area free of clutter.

Do not hesitate.

Store at room temperature.

Don't be afraid.
It takes time to get to know.
