“She talks too much.” “He doesn’t understand me.” “She’s so dramatic.” “He refuses to change.” Do these statements sound familiar? Any of it resonate with you?

Men and Women, Boys and Girls...we’re different. I know it may come as a surprise, but it’s true. If you’ve interacted with the opposite sex at all, you’ve probably discovered some roadblocks in the realm of communication, physical ability, and interests. But how different are we? Is there a way to understand the opposite sex?

In this interactive session, Johan engages the never-ending gender debate.
