FINANCIAL AGREEMENT

Name: _____ Social Security Number:_____

1. Cloud Peak Counseling Center (CPCC) is a private, non-profit organization, established to help people with emotional and/or behavioral problems and to provide consultation and education to community organizations. CPCC receives some public funding, but that funding provides only a part of the financial support needed to operate CPCC. The balance must come from the individuals who receive services. Fees for services are assessed on an "ability to pay" basis, as shown on the Fee Schedule.

2. If you have health insurance, we will bill your insurance company CPCC's full provision of services rate. The current rates of service are posted. However, the client is always responsible for payment for services assessed at his or her adjusted income rate, unless the adjusted income rate plus the insurance payment exceeds current rates. In that case, the client is responsible only for the difference between the insurance payment rate and CPCC's full provision of services rate.

3. If you have Equality Care (Medicaid), we will bill the charges directly to Equality Care for services covered. If you receive services from CPCC not covered by Medicaid, you will be charged according to your adjusted income rate.

4. A No-Show Fee will be charged if you fail to show up for a scheduled appointment. The No-Show Fee is $10.00.

5. **The recipient of services is required to make full payment at the time services are provided, unless other arrangements have been made with the business office in advance. All statements of account are due and payable in full upon receipt.**

6. I understand and agree that I am responsible to pay for all services provided to me by Cloud Peak Counseling Center and its staff. If I fail to pay for the services when they are rendered or on a signed agreed payment schedule, I will be responsible for all costs of collection, including but not limited to, interest at the rate of one and a half percent (1.5%) per month or eighteen percent (18%) per year, court costs and fees, attorney fees, and a collection fee of thirty-five percent (35%) of the unpaid balance assigned for collection
