

ENTRY-LEVEL GRAPHIC DESIGNER

Social Yeah is seeking an enthusiastic and motivated **Entry-Level Graphic Designer** to support our agency with digital design elements — on behalf of our 30+ local and national clients. You will work directly with our Design Manager and alongside our Client Success teams to assist in creating brand-centric content, such as giveaways, emails, graphics, and social media posts.

Our vision is a world where any business can tell their story to the perfect audience at any time. You will work to achieve your primary daily responsibilities while learning more than you could have ever imagined about social media marketing and digital design! Your friends will envy your awesome job.

WHAT MAKES YOU THE PERFECT CANDIDATE?

- You have a graphic design background and are proficient with Adobe Photoshop
- You LOVE social media and know your way around Facebook, Instagram, Twitter, Snapchat, & more
- You like the idea of working with a variety of clients across many different industries
- You have great written/verbal communication skills and an incredible attention to detail #Organization
- You're a self-starter who is always motivated to get the job done, no matter the circumstances
- You can quickly navigate your way around a keyboard (on both a computer and a smartphone)
- You have the ability to multi-task, meet deadlines, and thrive in a fast-paced environment
- You have a willingness to learn, a desire to always continue to improve, and are receptive to feedback
- Bonus: you've used web-based drag & drop programs (Mailchimp/Constant Contact, Basecamp, etc.)

ESSENTIAL JOB FUNCTIONS (job will evolve, change, grow as necessary)

- Work with a wide range of media to produce attractive and effective designs across a variety of mediums, including Adobe Photoshop, mobile apps, and drag-and-drop web platforms (i.e. Mailchimp)
- Support the Design and Client Success teams with the execution of social media campaigns & projects
- Communicate overall status of projects to team members in a timely and efficient manner
- Research and introduce emerging design trends
