

MARY CASWELL STODDARD

ASSISTANT PROFESSOR • DEPARTMENT OF ECOLOGY AND EVOLUTIONARY BIOLOGY
PRINCETON UNIVERSITY • 106A GUYOT HALL • PRINCETON, NJ 08544
EMAIL: MSTODDARD@PRINCETON.EDU WEBSITE: WWW.MARYCSTODDARD.COM

EDUCATION

- PhD 2012 **University of Cambridge, Cambridge, UK, Marshall Scholar**
PhD in Zoology, Graduated July 2012
2012 Zoological Society of London Thomas Henry Huxley Award and Marsh Prize
(top thesis in zoology in the United Kingdom)
- BS 2008 **Yale University, New Haven, CT, USA**
summa cum laude, Intensive Bachelor of Science in Biology
Phi Beta Kappa

PROFESSIONAL APPOINTMENTS

- July 2016 Assistant Professor at Princeton University, Department of Ecology and Evolutionary Biology
2012-2016 Junior Fellow in the Harvard Society of Fellows, Harvard University

CURATORIAL APPOINTMENTS

- 2016-2021 Research Associate at the American Museum of Natural History (Ornithology)
2015-2020 Curatorial Affiliate in the Division of Vertebrate Zoology, Yale University Peabody Museum of Natural History

FELLOWSHIPS AND GRANTS

- 2016 Wissenschaftskolleg (WiKo) Institute of Advanced Studies, Berlin, Germany: ***Animal Coloration Focus Group***
- 2015 L'Oréal International Rising Talents Fellow (1 of 15 internationally)
- 2013 L'Oréal USA For Women In Science Fellowship and Research Grant (1 of 5 in USA)
- 2013 Harvard Milton Fund Award
- 2013 Harvard University Faculty Aide Award to support undergraduate research projects
- 2012-2016 Harvard Society of Fellows
- 2012 National Science Foundation Postdoctoral Research Fellowship in Biology: Intersections of Biology and Mathematical and Physical Sciences (*declined*)
- 2008-2012 Marshall Scholar
National Science Foundation Graduate Research Fellow
- 2010 International Society for Behavioral Ecology Travel Grant
- 2008 Hanne and Torkel Weis-Fogh Fund Award
- 2007 Goldwater Scholar
National Science Foundation Research Experience for Undergraduates Fellow
- 2004 National Merit Scholar

AWARDS AND HONORS

- 2016 ● Dobzhansky Prize, awarded by the Society for the Study of Evolution; delivered the Dobzhansky Prize Lecture at the SSE meeting in Austin, Texas
- 2016 ● Ned K. Johnson Young Investigator Award, given by the American Ornithologists' Union
- 2015 ● American Society of Naturalists Jasper Loftus-Hills Young Investigators Award
- 2015 ● Elected as 2015 Kavli Frontiers of Science Fellow by the National Academy of Sciences
- 2015 ● L'Oréal International Rising Talents Fellow (1 of 15 internationally)
- 2014 ● Cooper Ornithological Society Young Professional Award for outstanding contributions to ornithology
- 2013 ● L'Oréal USA For Women In Science Fellow (1 of 5 in the USA)
Press release: <http://www.aaas.org/news/loréal-usa-and-aaas-honor-early-career-women-scientists>
Video: <https://www.youtube.com/watch?v=So4LF-jifWQ>
- 2012 ● Winner of the Zoological Society of London Thomas Henry Huxley Award and Marsh Prize for best thesis in zoology in the United Kingdom
- 2011 ● Grand prize winner at the Cambridge Graduate School of Life Sciences Poster & Image Competition
- 2011 ● Best student presentation at the Association for the Study of Animal Behaviour Easter Conference
- 2009 ● Student presentation award at the American Ornithologists' Union annual meeting
- 2009 ● American Ornithologists' Union Marcia Brady Tucker Travel Award
- 2008 ● William Belknap Prize for Excellence in Biology (Highest Honors), Yale University
- 2008 ● Yamanaka Prize for Best Senior Thesis awarded by Peabody Museum of Natural History, Yale University
- 2008 ● Andrew Patterson Prize for Distinguished Contribution to Morse College, Yale University
- 2004 ● Delegate to the National Youth Science Camp

Ellis, J.C., **M. C. Stoddard**, and L. W. Clark. 2008. Breeding by a lesser black-backed gull (*Larus fuscus*) on the Atlantic coast of North America. *North American Birds* 61: 546-548.

POPULAR ARTICLES

M. C. Stoddard. In Press. Lesser is more: the true story of Appledore Island's Lesser Black-backed Gull. *BirdWatching Magazine*.

EDITOR

With Tim Caro and Devi Stuart-Fox, I served as **Guest Editor** for the upcoming theme issue “**Animal Coloration**” in *Philosophical Transactions of the Royal Society B*. All editors contributed equally.

CONFERENCE PRESENTATIONS

Stoddard, M. C. 2016. *North American Ornithological Congress*. Washington, D. C.

Stoddard, M. C. 2016. *Evolution*. Austin, Texas, USA
Dobzhansky Prize Lecture: A Multidisciplinary Perspective on the Evolution of Avian Eggs

Stoddard, M. C. 2016. *Wissenschaftskolleg (WiKo) Institute of Advanced Studies*, Berlin, Germany.

Stoddard, M. C. 2015. *The 2015 Kavli Frontiers of Science Indo-U.S. Symposium at the National Academy of Sciences*. Irvine, California, USA.

Invited symposium speaker: The Biomechanical Basis of Animal Behavior

Stoddard, M. C. 2015. *Evolution*. Guarujá, Brazil.

**American Society of Naturalists Young Investigator Award Symposium:
Mimicry, Recognition and the Evolution of New Phenotypes**

Stoddard, M. C. 2014. *American Ornithologists' Union*. Estes Park, Colorado, USA.

Invited plenary speaker: Avian vision and the coevolution of bird eggs.

Stoddard, M. C. 2014. *International Ornithological Congress*. Tokyo, Japan.

Invited keynote symposium speaker: Avian brood parasitism - novel findings and new puzzles.

Stoddard, M. C., R. M. Kilner, and C. Town. 2014. *International Society for Behavioral Ecology*. New York City, New York, USA.

Stoddard, M. C., R. M. Kilner, and C. Town. 2014. *Evolution*. Raleigh, North Carolina, USA.

Stoddard, M. C. 2013. *American Ornithologists' Union*. Chicago, Illinois, USA.

Invited symposium speaker: *Physiological and functional advances in avian coloration.*

Stoddard, M. C. 2012. *International Symposium on Avian Brood Parasitism*. Hainan Normal University. Hainan, China. **Invited symposium speaker.**

Stoddard, M.C. 2011. *Animal Behavior Society*. Bloomington, Indiana, USA.

Stoddard, M.C. 2011. *Association for the Study of Animal Behaviour*. Cambridge, UK.

Best student presentation.

Stoddard, M.C., and M. Stevens. 2010. *International Society for Behavioral Ecology*. Perth, Australia.

Stoddard, M.C., and R. Prum. 2010. *International Ornithological Congress*. Campos do Jordão, Brazil.

Stoddard, M.C., and M. Stevens. 2010. *Association for the Study of Animal Behaviour*. Exeter, UK.

Stoddard, M.C., and M. Stevens. 2009. *American Ornithologists' Union*. Philadelphia, Pennsylvania, USA.

Student presentation award.

Stoddard, M.C., and R.O. Prum. 2006. *North American Ornithological Conference*, New Insights on Avian Color session, Veracruz, Mexico.

INVITED TALKS AND GUEST LECTURES

2016: Wissenschaftskolleg (WiKo) Institute of Advanced Studies, Berlin, Germany, Yale University, Tulane University

2015: University of Chicago, Yale University, University of Michigan, University of California – Santa Barbara, Stanford University, Princeton University, University of Massachusetts (Boston), Marine Biological Laboratory at Woods Hole

2014: University of Pennsylvania, University of New Hampshire, Shoals Marine Laboratory, Brown University, Cornell University, University of British Columbia, University of North Carolina, Dartmouth College

2013: Marine Biological Laboratory at Woods Hole, University of Massachusetts at Dartmouth, University of Texas at Austin, Shoals Marine Laboratory, University of Chicago, Queens College CUNY, Cornell University, Boston University

2012: University of Bern (Switzerland), University of Oxford and Edward Grey Institute of Field Ornithology (UK), Natural History Museum (UK)

2011: Harvard University, Marine Biological Laboratory at Woods Hole, University of Maryland, Baltimore County, Natural History Museum (UK)

TEACHING EXPERIENCE

EEB 329 Sensory Ecology (Fall 2016)

EEB 504 Fundamental Concepts in EEB (Fall 2016)

SOFTWARE

TETRACOLORSPACE: a Matlab-based computer tool for the analysis of reflectance spectra in avian tetrahedral color space (Stoddard & Prum 2008).

NATUREPATTERNMATCH: a computer vision tool for extracting and matching visual features (Stoddard, Kilner & Town 2014). See <http://www.naturepatternmatch.org/>.

EDGEDETECTOR: a low-level computer vision tool for extracting and quantifying edges in complex visual scenes (Stoddard et al. 2016).

PROFESSIONAL SERVICE

NSF BIO Panelist 2017: Wrote reviews of 16 grant proposals prior to three full days of discussion, followed by the creation of final panel summary reports.

American Society of Naturalists Symposium Organizer: *The Evolution of Species Interactions*. Evolution Meeting, Austin, Texas, June 2016. Co-organizers: Jesse Lasky and Marjorie Weber.

Reviewer: Evolution, American Naturalist, Proceedings of the Royal Society B, Philosophical Transactions of the Royal Society B, Biology Letters, Biological Journal of the Linnean Society, Journal of Zoology, Evolutionary Ecology, PeerJ, Behavioral Ecology, Behavioral Ecology and Sociobiology, Integrative Zoology, Methods in Ecology and Evolution, Auk, Journal of Ornithology, Journal of Avian Biology, Avian Biology Research, Oecologia, Ostrich, Forktail

Ad-hoc grant reviewer: National Science Foundation, National Geographic Society

SCIENCE OUTREACH AND SERVICE

Princeton EEB Women in Science Partnership (EEB WiSP)

Faculty Mentor (2016-)

American Museum of Natural History, New York City (2016-2017)

Research featured in the exhibit Dinosaurs Among Us

Exhibit: <http://www.amnh.org/exhibitions/dinosaurs-among-us/>

Video: [http://www.amnh.org/explore/science-bulletins/\(watch\)/bio/news/egg-patterns-identify-intruders](http://www.amnh.org/explore/science-bulletins/(watch)/bio/news/egg-patterns-identify-intruders)

Rocky Mountain Biological Laboratory, Gothic, Colorado (2016)

Seminar for undergraduates: “Communicating your science to the media: pros and cons”

Harvard Women in Science and Engineering (2013-2016)

Mentor to graduate women in science and engineering research programs

Mentor and advisor, Harvard University, USA (2013-2016)

Advisor to two undergraduate biologists, who have developed independent research projects to pursue in my lab. I applied for and received grants from Harvard University to help support their research.

Iguazu Falls Civic Center, Argentina (2015)

Presented public lecture entitled “How to Study Bird Coloration: From Feathers to Eggs” (July 2015)

Harvard Museum of Natural History (2013-2014)

Scientific instructor for three-hour “Nests! The Intriguing World of Avian Architecture” science and art seminar for adults (October 2014)

Scientific instructor for three-hour “Investigating the Science of Avian Coloration through Observational Drawing” seminar for adults (January 2014)

Instructor for three-hour “Eggs and Nests: Engineering and Evolution in the Avian World” seminar for adults (March 2013)

American Museum of Natural History, New York City (2014)

Research featured in Science Bulletins video displayed in the Hall of Biodiversity

Monhegan Island Associates, A Non-profit Land Conservation Organization (2014)

Presented public lecture entitled “The Gulls of Appledore Island, Maine: What Watching Birds Tells Us About Our Changing World” (July 2014)

BBC News (2011-2012)

Interviewed on BBC 5 Live Radio about cuckoo egg evolution (March 2011)

Guest presenter on BBC One Show “Monster Babies” filmed at the National Museum Cardiff, Wales (June 2011)

Natural History Museum, London (2011-2012)

Guest speaker at the “Nature Live” 2011 and 2012 talk series at the Natural History Museum, London

Research featured in exhibit on “Behind the Scenes” research at the national egg collections, Natural History Museum in Tring (July 2011)

Guest scientist at “Science Uncovered” at the Natural History Museum in Tring (September 2011)

Cambridge University Museum of Zoology (2008-2012)

Year-round employee and volunteer

Helped design and run workshop on cuckoo evolution for the Young Zoologists Club

Helped organize the 2010 Cambridge University Science Festival (“Colourful Creatures”)

Cambridge University Birding Society (2008-2010)

Vice President

Yale Ecology and Evolutionary Biology Undergraduate Group (YEEBUG) (2006-2008)

Founder and President

Peabody Museum of Natural History (2006-2008)

Volunteer tour guide and events coordinator
