A: There is ample free parking in the adjacent parking garage.

Take a ticket as you enter the parking garage. There will be signs directing you into the garage and to the Social Hall where we will be meeting. A validation machine will be in the lobby. Q: Is there storage available?

A: Yes, CBI has made storage available to us.

A: Yes.

In fact there are two kitchens. One kitchen serves the Social Hall, which we will use for monthly meetings, and another serves the Activity Hall, which we will use for Governing Board meetings.

Q: Are there dietary restrictions?

A: Yes.

Congregation Beth Israel has requested we not serve shellfish or pork.

Q: Does the rental include chairs, tables, and set up?

A: Yes.

We have met with Nick, the setup person, who has proved to be kind and very helpful. CBI staff will prepare coffee, tea and water for our meetings and have it ready by 9:00 a.m.

Q: Will Rudy be responsible for audio/visual duties in the new location?

A: No.

We will be using the company Congregation Beth Israel contracts with.

Q: How much are we paying?

A: To give a simplified answer:

We pay \$125 less for each Governing Board meeting and \$440 less for each monthly meeting, compared to the lowest price offered by Torrey Pines Christian Church. Additionally we save approximately \$150 per month on audio/visual costs. An added bonus is that coffee, tea and water are included in the monthly price. Overall, we are meeting in a superior facility for a price equivalent to what we paid last year at Torrey Pines Christian Church.
