

IMPORTANT PARKING INSTRUCTIONS AT CONGREGATION BETH ISRAEL

Thanks to CBI's negotiations with Ace Parking, there should be adequate space for our members to park in the Parking Garage, provided we observe the instructions below:

The preferred entrance to the Parking Garage is via Golden Haven Drive. Our members may park on the first and second levels, as before.

If members enter from Towne Centre Drive in order to park at the top of the Parking Garage, they **MUST TURN LEFT** at the end of the ramp, and park in the section closer to La Jolla Village Drive. **Please be careful not to park in the section to the right (south) of the ramp.** While that section to the right is closer to the Temple, it is reserved by adjacent businesses, who are vigilant in monitoring any encroachment on their reserved area.

This applies to those who drive to the top from Golden Haven Drive as well.

There will be two validation machines in the foyer for your convenience. So be sure to take your parking ticket with you - but a note of caution: Do not place the ticket next to your cell phone because doing so sometimes deactivates the strip.
