

WHAT WILL AN AVERAGE SUMMER DAY LOOK LIKE?

Our goal is for each student to get into a track of classes that ignite their passions and gifts. Each student will be interviewed before the program begins so we can discover what they'd like to learn and where their interests lie. Each day there will be a variety of classes taught at each session enabling the students to have a unique and personalized experience. Below is a sample of an "average" day for a student.

"Susie", age 10

Susie is a talented piano player who has always wanted to learn how to sing. She also enjoys dance.
