## INTRO - 2X

### VERSE 1

In the chaos,  
In the crowded streets  
God, You see me  
And You know my name  
In Your spirit,  
In Your love  
I am found se - cure

### VERSE 2

When I'm lost and  
Living on my own  
God remind me  
You are on the throne  
In Your presence,  
in Your power  
I am found se - cure

### PRE-CHORUS

You are for me  
When everything's against me  
And around me,  
When I'm facing down my enemies  
I can't sing,  
Louder than You sing for me

## CHORUS - 2X

I am free,  
Freedom never felt so good  
I will sing,  
Cause singing never felt so good

### VERSE 3

In the darkness  
In the dead of night  
There I find you  
You have won my fight  
You are faithful  
In your arms  
I am found se - cure

### BRIDGE

You are with me  
You're never gonna leave me  
In every single season  
You're never gonna **STOP STOP**  
Telling me You love me  
Jesus, You're my freedom  
I can't shake this feeling  
It's never gonna **STOP STOP STOP**
