opportunity to participate in all aspects of farm life, fron increasing our sustainability measures, developing a per projects, maintenance, and education and outreach in th	s of the farm community. As a volunteer, you will have the m working in the organic gardens, caring for rescued animals, rmaculture design for the land, building and construction the community. We look for volunteers who care deeply about e, dedicated, and who are hard workers. Thanks for volunteering!  Earth? How did you hear about us?
Do you have special skills that you'd like to put to photography, computer or website building, PDC ographic design, etc.	work while on the farm? Examples: construction, design experience, marketing, fundraising, grant writing,

If you live far from the farm, you can still volunteer! We need volunteers who can work from home, doing research, data entry, emails, editing, writing, fundraising, etc. Are you interested in volunteering from home?  Please return this application to: WildEarthFarm@gmail.com.  If you have questions, feel free to call or email us. We will be in touch to set up your volunteer schedule.  We look forward to talking to you!	How would you describe your work ethic? Please give an example of when you have done more than required in a course/extracurricular activity/or job.
The Wild Earth staff may give you advice or feedback on your work. How do you typically handle constructive feedback?  Do you have a car or driver's license? Are you willing to drive or use your car for farm errands?  If you live far from the farm, you can still volunteer! We need volunteers who can work from home, doing research, data entry, emails, editing, writing, fundraising, etc. Are you interested in volunteering from home.
