

Manna Bags

a program of The Stewpot

Manna – in the Bible, the food miraculously provided for the Israelites in the wilderness during their flight from Egypt – ***“good things which have been provided as sustenance”***.

You are invited to meet the need of the hungry by providing a bag of food sustenance to our homeless friends on the street. This is a great project for individuals, families, faith groups, school and scout groups, civic and business organizations.

Manna Bags will be distributed by The Stewpot. Thank you for showing, by word and deed, you care for our friends in need.
