THE STEWPOT

**DALLAS BOUND:
SUMMER VISITING
YOUTH PROGRAM**

An inner city mission week for older youth

Each youth group saw urban ministry in action through many different avenues, an invaluable experience for these teenagers. "I didn't realize how good I have it back home," said one participant after seeing the faces of the homeless for the first time.

On their last day of service, youth are encouraged to reflect on their experiences and find a way to continue to minister in their own communities when they go home. By participating in the Summer Visiting Youth Program, youth groups have a chance to make a difference in the city of Dallas as well as return home to make a difference in their own communities.
