

# YOURS

C3LA Music 2016

I heard Your love calling my name  
And I came running home  
Made You the king over my pain  
You help me let it go

Now I know  
That I know  
That I know  
That You are for real  
Cause Your love  
Hit me straight  
To my heart  
Yeah this is for real

Everything I have is Yours  
Jesus cause You gave it all  
Heaven opened up my eyes  
Giving in I hear You calling me  
Closer and closer

You made my life into something  
Something beautiful  
No looking back to the old me  
No matter what I feel

Now I know  
That I know  
That I know  
That You are for real  
Cause Your love  
Hit me straight  
To my heart  
Yeah this is for real

Everything I have is Yours  
Jesus cause You gave it all  
Heaven opened up my eyes  
Now I see that You are God  
Everything I have is Yours  
Jesus cause You gave it all  
Heaven opened up my eyes  
Giving in I hear You calling me  
Closer and closer

Heavens eyes on us now
