WHOLESALE TERMS AND CONDITIONS

All prices are subject to change as the market for gold and precious stones fluctuates. The most current price list supersedes any previous pricing or price lists.

Orders

There is a \$500 minimum for opening orders. A minimum of \$200 applies to reorders. For all orders, please send an email to Cassandra at info@dalvaynyc.com.

Once an invoice is received by the customer, we will wait for email confirmation to begin the order. Because most of our pieces are made to order, the order cannot be canceled after confirmation.

Fulfillment

There is a three to six week fabrication time on wholesale orders, depending on order size. In some instances we may have items in stock and the order may ship ahead of this time frame. Please feel free to send an email with any questions you have, or to see if an order can be rushed. Once an order is placed, we will work with you to arrange a delivery due date for your order.

Please Note: Holiday season starts in late October and, depending on our production schedule, can lengthen delivery times.

Delivery

Orders are shipped via USPS Priority mail with insurance and tracking. All domestic orders over \$1000 come with complimentary shipping, otherwise shipping will be added to the order invoice. UPS, FedEx, international and express shipping are available upon request and will incur additional charges. We also accept shipping accounts provided by the customer.

Once your order has shipped, you will receive an email with your tracking number. All orders over \$1,000 require a signature upon delivery. Please make sure you are available to sign for your order when it is delivered, as you are solely responsible for the acceptance of your order upon delivery. Dalva NYC is not responsible for any lost packages or delayed delivery. If your order is sent back by the shipping company for failure to deliver, you will be required to pay for the re-shipment of your order.

Payment

After placing your order, you will receive an electronic invoice via email. This invoice can be paid in full with any major credit card, online through our secure invoicing service. Paypal is also an option, if preferred.

Orders must be paid in full prior to shipping.

Packaging

Wholesale items will be packed in small, airtight plastic bags. Jewelry not on display can be kept this way to prevent tarnishing. Each bag will be clearly marked with the item name, material, and size (when applicable).

Earrings come on an earring card with the Dalva NYC logo. They do not contain our website or other contact information.

Repairs

If a repair is necessary, we are happy to drop ship repairs directly to customers for no extra charge. In this instance, simply send an email with the details to info@dalvaynyc.com as soon as the issue occurs.

Returns

If you are not completely satisfied with the jewelry in your order for any reason, please contact us within five business days of receiving your order. You will be able to exchange for items of equal value, or pay the difference of upgrading to something of a higher value. All shipping, tracking and insurance charges for returns and exchanges are the retailer's responsibility and cannot be refunded.

Returned items must be new, unworn, and undamaged to be eligible for exchange.

Dalva NYC reserves the right to refuse items that are returned without prior notice or in a condition unacceptable for resale. If an item is damaged during shipping, please contact us as soon as you receive it.

Please pack jewelry in a well-padded envelope or package. Shipping insurance is not required but it is recommended. Dalva NYC is not responsible for loss or damage during return shipping.

We are happy to supply images for promotional purposes. Simply send an email with a list of the specific pieces or photos of interest, and they will be sent shortly.
