One of the greatest honors for an Emergency Nurse is to earn the right to wear the title of Certified Emergency Nurse. This course will provide the foundation for you to reach this goal. In addition, practice questions will be provided that will help you determine your readiness. You will learn how exam questions are constructed and how best to answer them.

This course is also an excellent ED Initial or Review course for nurses not planning to test at this time.

Topics covered include:

- ◆ Test-taking tips
- ◆ Shock Related Emergencies
- ◆ Cardiovascular Emergencies
- ◆ Medical Emergencies
- ◆ Gastrointestinal Emergencies
- ◆ Genitourinary, OB & GYN Emergencies
- ◆ Neurological Emergencies
- ◆ Respiratory Emergencies
- ◆ Environmental & Toxicological Emergencies
- ◆ Professional Issues
- ◆ Maxillofacial & Ocular Emergencies

Jeff Solheim has been delivering motivational talks and health-care related education to audiences all around the world for over ten years. He has been invited to speak at venues as diverse as the International Emergency Care Conference in Gold Coast Australia to the National Emergency Nurses Association Convention here in the United States. As founder and executive director of Project Helping Hands, a not-for-profit third world medical organization, Jeff has travelled to countries around the world leading medical teams into some of the poorest places on earth. Jeff is known to weave his down-to-earth speaking style with his incredible sense of humor and stories from around the world to create memorable presentations and seminars.
