### Mentoring Matters

If you are looking for a way to grow in your walk with the Lord by mentoring or being mentored by another woman, Mentoring Matters can connect you. Women of all ages are encouraged to participate.

“The Lord put us together. It’s been a growing experience for me. I’m awed that He loves us so much.”

### Discipleship

Is a way for new believers to learn one-on-one some Bible basics as well as getting specific help for leading a practical Christian life. New believers are provided with a notebook and materials to guide them through a study of foundational Bible doctrines: salvation, sanctification, fellowship with God, and the work of the Holy Spirit in our daily lives. New believers are also instructed on simple methods of Bible study and prayer.

### Counseling

Sometimes the stresses of life can feel overwhelming. If you feel the need for focused, Biblical teaching on your specific needs, please reach out for help. There are trials in life where all we need is someone to come alongside and show us what the Bible says about the life-struggles that we face. Women trained in Biblical counseling will help you sort out your feelings and learn to apply Bible principles to your daily life.

### Prayer Partners

Many women feel the need of prayer support as they juggle the many demands of their lives. Having someone to share their requests and pray with and for them brings great comfort. If you are interested in having a prayer partner, Women’s Ministries will be happy to pair you with another interested woman! Prayer partners exchange requests and commit to praying daily for each other. Partners work out the frequency and method of contact (in-person, phone, email).

### Mom-to-Mom

Our mission is to welcome each birth or adoption of a child into the Calvary family as a blessing from God. We also want to support new moms by coming alongside during those stressful moments when things are not going as expected. Moms are available for counsel and support through **Parenting Resources** available at Calvary. See the **Parenting Resources** brochure at the Welcome Center.

### Calvary Compassions

Some of our Senior Saints are no longer able to get out to church. This visitation program allows them to stay connected with their sisters in Christ. Volunteers are needed for in-home visits and will provide Senior Ladies with copies of Our Daily Bread, church bulletins, and any other requested materials. Volunteers spend some time reading the Bible and praying with these home-bound women.
