This class accommodates the schedule of those serving in the Worship Ministries on Sunday mornings. Get Connected!

At Calvary Bible Church, we encourage every person who attends to be a part of one of our small groups that meet throughout the week. Among these are our LifeGroups that meet on Sunday mornings at 9:00 a.m. and 10:30 a.m... Life Groups are NOT a meeting you attend. Their primary goal is to help one another walk with Jesus Christ. They provide a casual setting to meet together, pray together, grow together in God's Word and care for one another. There are a variety to choose from. Try one today.

Open to all

Acts 17:11 tells us the Bereans "received the Word with great eagerness," much like enthusiastic children who become absorbed in the gifts that they open. So often our lives are rushed and we as God's children let the gift of the Word we receive on Sunday mornings go unused and neglected. Like the Bereans, this new LifeGroup will unwrap the sermon heard during the first service, think, talk, and pray together over the Word received, and then commit to apply that gift as we walk through the rest of our week with the Lord.

His Branches

Reception Room B

Women of all ages

His Branches is a warm and welcoming group of women of all ages and backgrounds who see their primary service for Christ as prayer. These women spend the first third of the class sharing requests and praying specifically for those, for the church in general, and for our country. Class members pray for each other during the week as well. Each year they study a book of the Bible taught by a variety of skilled teachers (both men and women).

Marriage in Motion

Reception Room A

Couples in the post-honeymoon years

This class focuses on and helps share the burdens of keeping marriages strong, raising children and keeping families together in a world trying to pull families apart. They enjoy times of fellowship and Bible study on Sunday mornings and are committed to meeting regularly as a group to encourage each other and have fun as Christian brothers and sisters.

Inheritors

Room 212

Adults with children through high school

Inheritors is an engaging and active class for adults of various ages, raising children or pursuing careers with a desire to do so in a biblical and God-honoring manner. Our purpose as a class is to fulfill Paul's challenge in Galatians 6:2 to "bear one another's burdens," by living life together through prayer, testimonies, regular fellowship both inside and outside class, and meeting one another's physical, emotional and spiritual needs. Bible studies are focused on the Word of God and practical application of the Scriptures to our lives. Currently, we are doing a lesson series titled "Lord, I'm struggling here," and have upcoming studies on Romans and Biblical counseling. Recent lessons have included, 1&2 Peter, Habakkuk, Budgeting, and the Images of the Church in the New Testament.

Joint Heirs

Room 214

Adults transitioning into grandparenthood

Joint Heirs is comprised of couples and singles of various ages. Their common bond is Jesus Christ as they work to grow in Him through His Word. They are actively devoted to ministry in and outside the church, are inclusive and supportive, making fellowship and connections a priority. They have a very loving group of people who encourage each other and "do life" together. The class studies various topics (with various teachers) throughout the year. Currently they are studying the authenticity and accuracy of the Bible.

Kingdom Seekers

Room 300

A group of encouraging adults of varying ages

Kingdom Seekers is about connecting and interacting. During class and fellowship events, they share each others burdens and blessings, praying for God's intervention. The Bible studies are currently on the minor prophets and the teaching is shared by four men from the group. The group expects to learn what the Bible says and how to apply it together in an interactive class discussion format. They recently started a "Know Your Neighbor" program for rotating small group fellowships. Their desire is to invest in each other to build up the body of Christ.
