2017 Rabies Tag

The National Association of State Public Health Veterinarians, Inc. recommendation for 2017 Rabies Tag is the blue rosette. Due to the limited stamping area on the blue rosette, we have provided the following sketch for your convenience. Other shapes for purchase are on the reverse side of this page. **To avoid a delay in receiving your tags for 2017, please place your order with our office by October 15. NEVSCo cannot guarantee a shipment date of January 1, 2017 for orders placed after October 31, 2016.**
