Welcome to PELOTON SUPERSHOP!

We are so glad you found us & thank you for being a part of our story.

The PELOTON represents the group of cyclists that ride together to help build speed & conserve energy. Together they share the effort, & strive collectively to reach their **goal**.

At PELOTON SUPERSHOP, we have applied the same above principles as the driving force to bring our dream to life. A hub that encourages *Earthlings* to come together & **tread lightly** as we carry out our journeys on this planet.

A combination of a **Vegan Café, Artisan Cycling Store & Open Minded Event Space** allows for us to share the fun & ease of a conscious lifestyle. PELOTON is not only a one stop *Planet Friendly* shop, but a canvas for likeminded people to unveil their expressions. Artists, scientists, food engineers, craftsmen, clowns, healers & lovers
ALL ARE WELCOME HERE.

The second we realise we all matter, is the moment we start to believe we can make a difference. Step into our doors & discover how awesome kindness tastes, how rad that bike ride could be & how fulfilling it is to live well, live kind and...

TREAD LIGHTLY
