

KENTUCKY QDMA MILITARY YOUTH HUNT

The Kentucky Quality Deer Management Association (QDMA) will sponsor their annual Military Youth Deer Hunt in support of our local troops of Kentucky.

Date: 12-15 October, 2017

(During Kentucky Statewide Youth Weekend)

OUR GOAL:

It is our goal to provide a quality hunting experience for the children of our deserving service members. We are planning for up to 40 children ages 10 thru 15 to participate. Each child will be paired up with an experienced adult mentor whose responsibility will be to provide a safe yet rewarding hunting experience. In addition to hunting, each child will:

- Receive a youth hunting license and deer permit
- Develop marksmanship skills in both archery and modern firearms
- Attend activities related to whitetail biology, hunter ethics, field care of deer and more.
- Experience the deer camp environment
- Participant in games that revolve around wildlife education and hunting skill development
- Become members of QDMA's Rack Pack!

THE MISSION:

The primary mission of our program is to provide a safe and rewarding hunting opportunity to the children of our men and women serving in the Armed Forces.

Without our help, these children may miss the opportunity to enjoy the hunting experience. It is our chance to give back to those who give so much!
