ART & DESIGN EXPERIENCE

Nicer Collaborative | Freelancer (January 2017 - April 2017)

Designed web and print marketing material for luxury real estate companies and new condominium developments. Design included ad campaigns, brochures, flyers, presentations, internal and outgoing emails and announcements, postcards, and formal invitations.

Cultural Media | Freelancer (March 2015 - January 2017)

Created advertising artwork, layout design optimized for both print and digital outlets, maintaining the company website, media kits, and branding identity for a print publishing house specializing in the production of museum member magazines. Gained a greater understanding of magazine print layout and production.

Freelance Artist & Designer (2009 - Present)

Various projects include branding and logo design, business cards, website design, wedding suites, brochures, magazine layout design, posters, murals, and fine art pieces.

Paint Nite | Art Instructor (2015 - 2016)

Instructed guests with the basics of painting with acrylics through an event company promoting a night of relaxed painting, drinking, and fun. Events required a previously painted master painting, a duplicate painting painted at the event alongside guests, and the set up and tear down of all materials for events.

The MiddleWestern Voice | Creative Director & Designer (2013 - 2014)

Oversaw the design and production for Elmhurst College's annual journal publication featuring student's literature, art, and music. Juried and photographed chosen artwork.

The Julien Art Centre | Assistant Art Teacher (2008 - 2010)

Assisted in teaching various mediums of art to students ranging from first grade to high school. Helped in applying the foundations of art through beginner to advanced techniques through acrylics, watercolor, oil paint, pastels, and graphite pencil.
