ART & DESIGN EXPERIENCE

Leo Burnett | Freelance Production Designer (2017)

Created a variety of social media posts, banners & advertising, visual content updates on websites, in addition to building out and maintaining full deck presentations, concepts, and pitches for the brands Samsung, Jim Beam, Capri Sun, Always, UnitedHealth Care, and The Kellogg Company.

Nicer Collaborative | Freelance Graphic Designer (2017)

Designed web and print marketing materials including print advertisements & large scale banners, brochures & mailers, formal invitations, and email campaigns.

Cultural Media Inc | Freelance Graphic Designer (2015 - 2017)

Designed and produced museum member magazines. Created print advertisements and media kits. Converted magazine print layout into digital format optimized for tablets. Rebranded the company's identity in addition to maintaining their website.

Freelance Artist and Designer (2009 - Present)

Past various projects include branding and logo design, business cards, website design, wedding suites, brochures, magazine & print layout design, posters, murals, and fine art commissions.

Paint Nite | Art Instructor (2015 - 2016)

Instructed guests on the basics of acrylic painting through a fun night of painting and drinks. Created a master painting and a duplicated painting at the event with guests. Provided guests with all necessary materials in addition to the set up and tear down of all events.

The MiddleWestern Voice | Creative Director and Designer (2013 - 2014)

Oversaw the design and production for Elmhurst College's annual journal publication featuring student literature, art, and music. Juried and photographed chosen artwork.

The Julien Art Centre | Assistant Art Teacher (2008 - 2010)

Assisted in teaching various mediums of art to students ranging from first grade to high school. Helped in applying the foundations of art through beginner to advanced techniques through acrylics, watercolor, oil paint, pastels, and graphite pencil.
