**CREATION STATION** is our Nursery Ministry offered on Sunday mornings during both services for potty-trained children 3 years to Pre-Kdg. Toddlers are excited and eager to learn. Therefore, we want to equip them with lessons from the Word of God.

**VICTORY KIDZ** is designated for children grades Kindergarten-4th. We believe that no child is ever too young to begin living out the call God has on their life. We offer high energy worship each Sunday, action packed lessons, funny skills and intimate small group times.

**GOD'S ANOINTED PRE-TEENS** is an exciting ministry, offered on Sunday morning during both services, specifically designed for 5th-8th graders. We strive to equip these amazing young people by showing them their identity in Christ through the Word of God.

**UNITED YOUTH MINISTRY** is for teens in 7th-12th grade. Our vision is to provide a place for this next generation to experience God and become the generation He has called them to be.

**PARKING LOT TEAM** | Rain or shine, these dedicated volunteers help facilitate the flow of traffic for all services and events.

**FIRST TOUCH TEAM** | "People will remember how you make them feel." Our greeters thrive on sharing the Love of Jesus by welcoming everyone to our church with a warm smile before and after services and all special events.

**HOSPITALITY TEAM** | "*Ask Me Anything*" This team provides answers to any questions pertaining to our church events, purchase of Church gear and media requests, etc.

**USHER TEAM** | Ushers meet the needs of the congregation with seating, caring for the handicapped with special seating needs, assist with receiving the offering, and providing information to our congregants.

**EMT** | The Emergency Medical Team assist in emergency situations during services.

**SET UP & TEAR DOWN TEAM** | This team is pivotal to the set up and tear down of our temporary Sunday location before and after services..

**MUSIC MINISTRY** | This ministry includes Our Worship & Praise Dance teams, PowerPoint and sound for Sunday services and special events.
