

Professional Dog Groomer – existing client base & consistent growth!

K9-Playtime is seeking an ambitious, confident groomer to join our team. Our established daycare and boarding business provides great potential for growing a client base.

We strive to provide the best experience and service as possible for our two and four-legged clients! In order to do so, our groomer must be capable of communicating effectively with clients and co-workers, be respectful, be patient, be self-sufficient, be confident in grooming skills, be able to lift 50+ lbs with no assistance, and also maintain a clean workspace.

The available grooming position is considered full-time. We would like our groomer to be available for appointments Tuesdays-Saturdays. Grooming hours are negotiable. *Dog daycare for personal dogs is free of charge while on-site. Groomer would be considered an independent contractor, needing insurance. Groomer would need to provide tools and any other necessary equipment. K9-Playtime's grooming room has an elevated bathing station, a hydraulic grooming table, a stacked kennel bay, and plenty of storage space. K9-Playtime will provide scheduling services (phone calls and online requests), handling of money transactions, and marketing on K9-Playtime's website and Facebook page.

So, if you are a proactive, hard-working, reliable groomer looking to join an upbeat team of people with a passion for working with dogs, please email us your resume and representative photos of your grooming work at k9playtime.hudson.wi@gmail.com. Within the email, please be sure to mention how you would prefer to be contacted (include phone number or email address). We would love to speak with you about this opportunity!
