Mecklenburg County Public Health (MCPH) offers a wide range of services to meet the needs of a growing and diverse community. With more than 800 professionals in multiple specialties and disciplines, MCPH is the largest accredited Public Health Department in North Carolina.

MCPH provides direct services such as immunizations, STI testing and treatment, family planning, pediatric dental, WIC and other clinical services, as well as programs that support the overall health of the community. In collaboration with diverse community partners, Public Health offers interventions and works to establish policy, system and environmental changes that prevent disease and promote health. MCPH provides a full range of services in environmental health, directs a comprehensive school health program for Charlotte Mecklenburg Schools, and a number of innovative, evidence based programs focused on at-risk mothers, young children, and those with special needs. Data-driven initiatives include: Getting to Zero Mecklenburg to reduce new cases of HIV, Village HeartBEAT which engages the faith community in the prevention and management of chronic illness and is the winner of the Aetna National Health Challenge; and Char-Meck ReCAST, a SAMHSA-funded project to assist high-risk youth and families and promote community resilience.

BOARD OF COUNTY COMMISSIONERS’ VISION:
The Mecklenburg BOCC’s vision for the community can be summed up as, “Mecklenburg County will be a community of pride and choice for people to LIVE, LEARN, WORK, and RECREATE.” To carry out this vision, County services are provided to meet the community’s priorities, as defined by the BOCC, and funded through property taxes, local sales taxes, fees, and other sources. The Board’s primary responsibilities are to adopt an annual budget, set a property tax rate, and establish priorities to address the County’s needs, especially in the areas of health, education, welfare, and mental health. The Board’s priorities are carried out by a staff of over 5,000 employees led by the County Manager who is appointed by, and reports to, the Board and functions as the CEO of the County. There are four Assistant County Managers that report to the County Manager.
Mecklenburg County is seeking a Deputy Health Director to join the largest County Health Department in North Carolina. The mission of this Department is promoting and protecting the public's health in Mecklenburg County. The successful candidate will be a proven public health administrator with a strong desire to deliver evidence-based best practices, a record of outstanding leadership in public health service delivery, a strong grasp of system thinking, and change management skills. This is an excellent opportunity for someone who wants to be a part of a significant change effort. The incoming Deputy Health Director must have impeccable integrity, value teamwork, collaboration, and champion outstanding service while holding high standards for self and others.
