This summer, STME Youth Ministry will serve on the Lac Courte Orielles Indian Reservation near Hayward Wisconsin with the School Sisters of Saint Francis. We serve on mission trip to see how these Sisters and the parish have been an instrument of God’s love on the Lac Courte Orielles. We have the honor to be a part of it for a week and encounter God while we offer ourselves as His hands and feet. Together, we eat, sleep (in tents), serve, pray and play on site at St Francis Solanus Mission— the Sisters put us to work and we do whatever they need of us. Our work projects will include cleaning, hauling, landscaping, refurbishing furniture, painting, and much more. The Sisters serve the Lac Courte Oreilles community, and we serve them! Mass, personal prayer, devotions, and community time are a part of our daily routine, learning together how to ‘do small things with Great Love’.

Each day includes free time on the lake—canoeing, swimming and evening campfires. We will get to interact with the Reservation Community on Wednesday evening at the parish Bingo Night and spend an afternoon hiking Copper Falls, one of Wisconsin’s state parks.

Teen can expect to work tirelessly, think deeply, celebrate the Sacraments, and develop close relationships. Our service will inspire beyond a week of camp and we will never be the same.

Limited number of spots are available for this trip, Registration will be open until December 6th, or until the trip fills. Teen participants must be in 9-12th grade for the 2019-2020 school year. College Students are invited to serve as Young Adult Leaders (for a discounted cost), and Adult Chaperones are needed and attend for free!

Summer 2020 Mission

About Trip in Brief

Trip Leaders: Meaghan Turner, Tom Nass, Fr Jordan Berghouse

Our group will travel by rental minivans driven by our adult leaders (who have passed both personal and driving background checks). At St Francis Solanus Indian Mission, we sleep in tents in the Sister’s backyard, with the parish hall as an option for inclement weather. We use the lake to rinse off during the week and shower at Copper Falls. Our meals are planned out ahead of time and we rotate preparing & cooking meals in groups using the kitchen in the hall. Our work changes throughout the day—and we have the opportunity to serve with everyone. Our group sleeps, serves, prays, and plays on site together the entire week. Fr Jordan Berghouse will offer Mass each morning and be available for the Sacraments during the week. The cost of the Trip is $400, it is recommended that teens bring an extra $25 for the trip as well.

Mission Trip Information Meeting

Teens and parents interested in hearing more about the details of the trip are welcome to attend a brief 15 information share on Thursday November 7th at 6:45pm at St Monica in the Upper Room or stay after Teen Night on November 11th.

Mission Trip Prep Meeting

A mission trip prep meeting will be scheduled in the Spring for late May. During this meeting we will update important information, form ourselves spiritually and intellectually and get to know one another!

Thank You Reception - a reception celebrating and sharing our trip

Helping prepare and attending the Thank You Reception is considered an extension of the Mission. We are going to revamp how we have done this in the past— the summer date is TBD. We will ask that you mark your calendar, request off of work, make it your mission to be there and ready to share your experience!

Adult Leaders are needed (and go for free)!

These trips are not possible without the leadership of the adults in our parishes. As an adult leader you will be asked to attend the prep meeting, drive teens during the week of service, actively encourage and engage youth in their projects, co-facilitate spirit filled small group discussions, participate in all organized activities, be ready to enforce all trip expectations and provide supervision. Adults must have updated background checks (including driving) and have attended a Safeguarding Session.

How does fund-raising work?
