

WOOD THAT WORKS

DAVE & MARJI ROY

WILDFIRE

Size: 28"h x 24"w

Run Time: With a weight drop of 44" run time is approx. 1 hour.

Limited Edition of 75

Description: Wildfire is a sculpture of continually changing patterns. The slow rise and fall of the lower levers cause the upper wheels to rotate. This action creates a series of crystalline forms and fiery moire patterns to emerge and dissolve into one another.

WOOD THAT WORKS

DAVE & MARJI ROY

WILDFIRE

Limited Edition of 75

DIRECTIONS:

To Wind:

Turn the front three-armed wheel counter-clockwise until the weight is just below the sculpture. Hook one of the hooks onto the gear.

To Start:

The sculpture should start moving by itself. If it fails to start, gently push one of the arms downward.

Sales Information:

This sculpture is the prototype and is not for sale. You may take orders on it which can be filled this summer. Call me for an exact delivery date.

The fabric can be changed to a different color provided by the customer.
